

MILLIS

1990 Annual Town Report

ENGRAVING BY GEORGE JAMES IACROIX
OF THE
MICHAEL H. COLLINS HOUSE

House Number Nine on the Millis Historic Trail, this house became one of the showplaces of the town when it was built in 1874 by Michael Henry Collins, a wealthy inventor. It overlooked his gristmills and sawmills and box manufactory on the dam at the Boggastowe, whose millpond was called Collins' Pond. (The earliest mill on this site was built in 1686.) Michael Collins was famous for such inventions as the process of manufacturing granulated sugar, a ventilating system for buildings, a revolutionary method of using kerosene lamps, and many more. So beautiful was the area, it was proposed to call it "Collinsville."

QUESTION NO. 1

Shall the Town approve the charter amendments proposed by Article 14 of the 1989 annual Town Meeting summarized below?

Summary: The proposed charter amendments provide for:

1. Abolition of Board of Public Works and transfer of its duties and responsibilities to the Board of Selectmen;
2. Creation of position of Town Administrator to be appointed by the Board of Selectmen for an indefinite term. The Town Administrator shall be the chief administrative officer of the town responsible for the administration of all town affairs, including preparation of the budget and direction of personnel matters.

YES	445
NO	299
Blanks	33

QUESTION NO. 2

Shall the Town approve the charter amendment proposed by Article 15 of the 1989 annual Town Meeting as follows:

By providing under Article III, Section 3 that the Board of Selectmen shall have the power to appoint the Town Accountant, Town Administrator, Town Counsel, Registrars of Voters, and such other town officers, boards, commissions, or committees, as may be required for the proper administration, health or safety of the town and may terminate the same at their discretion.

YES	418
NO	314
Blanks	45

QUESTION NO. 3

The following is a non-binding public opinion advisory question: Should the state return 40% of all money collected in personal income taxes, corporate excise taxes and sales

taxes to cities and towns in unrestricted,
unearmarked local aid and all lottery re-
venues to which municipalities are entitled
to help support basic local services such
as public safety, public health and education?

RESULTS OF THE VOTES CAST AT THE
SPECIAL TOWN ELECTION

Town of Millis
December 18, 1990

QUESTION NO. 1

Shall the Town of Millis be allowed to exempt from the provisions of Proposition two and one-half so called, the amounts required to pay for the bond issued in order to provide design engineering of the modified Phase 1A lateral sewer project to include Concord Circle, Ticonderoga Lane, Lexington Lane, Saratoga Terrace, Brandywine Terrace, Independence Lane and a portion of Farm Street from a point on Farm Street approximately 350 feet easterly from the intersection of Farm Street and Alma Road to a point on the southerly end of Farm Street?

No	112	136	248

ANNUAL TOWN MEETING
MILLIS, MASSACHUSETTS, MONDAY, MAY 14, 1990

The Annual Business Meeting of the Town of Millis, Massachusetts was held Monday evening, May 14, 1990, in the George C. Roy Auditorium of the Middle-Senior High School and was called to order by the Moderator at 7:52 p.m.

The Town Warrant calling this business meeting was signed by Selectmen Douglas C. Priest, George G. Ford and Meriel N. Hardin and was posted on April 24, 1990 by Helen R. Kubacki, Constable, in accordance with the by-laws of the Town of Millis.

Voting List Inspectors:

Rose Robinson
Lorraine Consoletti
Marian Ingraham
Theresa Cousens

Tellers appointed and sworn in by the Moderator:

Stephen Ciccariello
Audrey Milley
Daniel Mundy

Before beginning with the business of the meeting, the Moderator asked everyone present to join in pledging allegiance to the Flag.

Regarding the business of the Town Warrant, the Moderator stated there are a total of 81 articles. The first three articles were acted on at the Annual Town Election. Articles 4 through 81 will be dealt with at this town meeting.

MOTION made by Patricia Sjogren, Finance Committee Co-Chairman, that the reading of the Warrant and the return of service thereof be omitted, and it was so VOTED.

MOTION made by Patricia Sjogren that the Moderator be granted unanimous consent to omit the reading of the articles and to refer to them by number and subject matter, and it was so VOTED.

ARTICLE 4. To see if the Town will vote to transfer a sum of money from surplus revenue or other available funds to meet the additional expenses of the current fiscal year not sufficiently funded under Article 6 of the 1989 Annual Town Meeting, or act in any manner relating thereto.

VOTED that the Town transfer the sum of \$129,942.78 to meet the additional expenses of the current fiscal year not sufficiently funded under Article 6 of the 1989 Annual Town Meeting as follows:

From: Water Revenue	
To: Water Utilities	\$ 6,800.00
From: Water Revenue	
To: Water Expense	\$ 2,000.00

From: Police/Fire Commiunications Overtime	
To: Police/Fire Communications Training	74.19
From: Police/Fire Communications Overtime	
To: Police Department Overtime	5,439.00
From: Free Cash	
To: Unemployment Compensation Account	34,166.59
Town Counsell Salary Account	8,000.00
County Pensions Account	44,963.00
Fire Department Regular Wages	10,000.00
Ambulance Regular Wages	3,500.00
Selectmens Expense	15,000.00

ARTICLE 5. To see if the Town will vote to transfer from available funds a sum of money to pay unpaid bills from previous fiscal years incurred by Town Departments as follows:

Police/Fire Communications Overtime from FY88	\$ 330.72
Business Records, Inc.	480.00

ARTICLE 6. To see if the Town will vote to adopt amendments to Schedule A - Classification Plan and Schedule B - Salary Plan of the Town of Millis Personnel Plan, as outlined in the Personnel Committee Report dated April 1, 1990, said amendments to be effective July 1, 1990, or act in any manner relating thereto.

MOTION made by Patricia Sjogren that the Town vote to adopt amendments to Schedule A - Classification Plan and Schedule B - Salary Plan of the Town of Millis Personnel Plan dated April 1, 1990, said amendments to be effective July 1, 1990.

--	------------

MOTION made by Patricia Sjogren that Line Item 96, Transfer from Available Funds to Reduce Tax Rate, be Amended to read \$352,368, and it was so VOTED.

VOTED to adopt Article 7 as amended.

ARTICLE 8. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of revenue of the financial year beginning July 1, 1990, in accordance with provisions of the General Laws, Chapter 44, Section 4, and to issue a note or notes therefore, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17, or act in any manner relating thereto.

VOTED that the Town authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of revenue of the financial year beginning July 1, 1990, in accordance with the provisions of the General Laws, Chapter 44, Section 4, and to issue a note or notes therefore, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

ARTICLE 9. To see if the Town will vote to amend Article III of its By-laws by adding a new section as follows:

"Section 9. Unless otherwise provided by a vote of Town Meeting, the Board of Selectmen or procurement officers designated pursuant to G.L. c.30B is authorized to enter into any contract for the exercise of the Town's corporate powers, on such terms and conditions as are deemed appropriate. Notwithstanding the foregoing, the Board of Selectmen or procurement officers shall not contract for any purpose, on any terms, or under any conditions inconsistent with any applicable provision of any general or special law.", or act in any manner relating thereto.

MOTION made by Richard Milley, Finance Committee Co-Chairman, that Article 9 be dismissed.

VOTED to dismiss Article 9.

ARTICLE 10. To see if the Town will vote to accept the provisions of Section 40 of Chapter 653 of the Acts of 1989 regarding assessment date changes for new growth, or act in any manner relating thereto.

MOTION made by Richard Milley that Article 10 be dismissed.

VOTED to dismiss Article 10.

ARTICLE 11. To see if the Town will vote to accept the provisions of Section 41 of Chapter 653 of the Acts of 1989 regarding quarterly tax bills, or act in any manner relating thereto.

MOTION made by Richard Milley that Article 11 be dismissed.

VOTED to dismiss Article 11.

ARTICLE 12. To see if the Town will vote to propose an amendment to the Millis Home Rule Charter deleting subsection (d) and subsection (e) of Section 2 of Article 4 which provides for the election of a Town Treasurer and the election of a Tax Collector and amend the Millis Home Rule Charter to create a combined position of Treasurer/Collector to become effective July 1, 1991 under Article 3, Section 3 of the Millis Home Rule Charter, such position to be filled by appointment by the Board of Selectmen, or act in any manner relating thereto.

MOTION made by Richard Milley that the Town propose an amendment to the Millis Home Rule Charter deleting subsection (d) and subsection (e) of Section 2 of Article 4 which provides for the election of a Town Treasurer and the election of a Tax Collector and amend the Millis Home Rule Charter to specify that said positions be filled by appointment by the Board of Selectmen, to become effective July 1, 1991 under Article 3, Section 3 of the Millis Home Rule Charter.

The Moderator announced that a two-thirds vote is required on this Motion.

By rising count, "Yes" 70 - "No" 99, the Motion was Not Carried.

ARTICLE 13. To see if the Town will, in accordance with the provisions of Chapter 41, Section 4A of the General Laws, vote to authorize the Board of Health to appoint any of its own members to any other Town office or position for the term provided by law, and fix the salaries of such office or position to which they are authorized by law to make appointments, in accordance with the provisions of Chapter 41, Section 4A, of the General Laws, or act in any manner relating thereto.

VOTED that the Town, in accordance with the provisions of Chapter 41, Section 4A of the General Laws, to authorize the Board of Health to appoint any of its own members to any other Town office or position for the term provided by law, and fix the salaries of such office or position to which they are authorized by law to make appointments, in accordance with the provisions of Chapter 41, Section 4A, of the General Laws.

ARTICLE 14. To see if the Town will vote to appropriate and raise by taxation, or by transfer from available funds a sum of money to hold a Household Hazardous Waste Collection Day, or act in any manner relating thereto.

MOTION made by Richard Milley that Article 14 be dismissed.

The Voice Vote being in doubt a standing vote was taken.

By rising count, "Yes" 60 - "No" 83, the Motion for dismissal was Not Carried.

MOTION made by Paul Jacobsen, Board of Health Chairman, that the Town appropriate and raise by taxation the sum of \$10,000.00 to hold a Household Hazardous Waste Collection Day.

By Voice Vote the Motion was Not Carried.

ARTICLE 15. To see if the Town will vote to accept the provisions of Section 9A of Chapter 53 of the Massachusetts General Laws which would establish that the final date for obtaining blank nomination papers for nomination to town office shall be forty-eight week day hours prior to the hour on which nomination papers are required to be submitted to the registrars of voters for certification, or act in any manner relating thereto.

VOTED that the Town accept the provisions of Section 9A of Chapter 53 of the Massachusetts General Laws which would establish that the final date for obtaining blank nomination papers for nomination to town office shall be forty-eight week day hours prior to the hour on which nomination papers are required to be submitted to the registrars of voters for certification.

ARTICLE 16. To see if the Town will vote to appropriate and raise by taxation or by transfer from available funds a sum of money to be used for Town unemployment compensation, or act in any manner relating thereto.

VOTED that the Town appropriate and raise by taxation the sum of \$30,000.00 to be used for unemployment compensation.

ARTICLE 17. To see if the Town will vote to appropriate and raise by taxation or transfer from available funds a sum of money to be added to the Stabilization Fund in accordance with the provisions of Chapter 40, Section 5B of the General Laws, or act in any manner relating thereto.

VOTED that the Town appropriate and raise by transfer from free cash the sum of \$300,000.00 to be added to the Stabilization Fund in accordance with the provisions of Chapter 40, Section 5B of the General Laws.

ARTICLE 18. To see if the Town will vote to appropriate and raise by taxation or by transfer from available funds a sum of money for an independent audit of all municipal accounts of the Town, or act in any manner relating thereto.

VOTED that the Town appropriate and raise by taxation the sum of \$10,000.00 for an independent audit of all municipal accounts of the Town.

ARTICLE 19. To see if the Town will vote to appropriate and raise by taxation or by transfer from available funds a sum of money to be used for the renovation of the farmhouse at Oak Grove Farm, or act in any manner relating thereto.

VOTED that the Town appropriate and transfer from the 100th Anniversary Fund the sum of \$10,000.00, to be used for the renovation of the farmhouse at Oak Grove Farm.

ARTICLE 20. To see if the Town will vote to appropriate and raise by taxation or by transfer from available funds a sum of money to secure, for safety purposes, existing old foundations on Oak Grove Farm.

MOTION made by Leonard Bateman, Finance Committee member, that Article 20 be dismissed.

VOTED to dismiss Article 20.

ARTICLE 21. To see if the Town will vote to appropriate and raise by taxation or by transfer from available funds a sum of money to provide for the continuation of the Senior Center and Hot Meals Program for the Senior Citizens of the Town of Millis, or act in any manner relating thereto.

VOTED that the Town appropriate and raise by taxation the sum of \$3,950.00 to provide for the continuation of the Senior Center and Hot Meals Program for the Senior Citizens of the Town of Millis.

ARTICLE 22. To see if the Town will vote to appropriate and raise by taxation, by transfer from available funds, by transfer from the Stabilization Fund or by borrowing under the provisions of Chapter 44 of the General Laws, a sum of money for the lease and/or purchase of a new copy machine with service contract and necessary appurtenances and authorize the Board of Selectmen to dispose of the old copy machine, by trading against the purchase price of the new copy machine, by outright sale, by auction or otherwise, or act in any manner relating thereto.

VOTED that the Town appropriate and raise by taxation for the sum of \$6,268.00 for the purchase of a new copy machine with service contract and necessary appurtenances and authorize the Board of Selectmen to dispose of the old copy machine, by trading against the purchase price of the new copy machine, by outright sale, by auction or otherwise.

ARTICLE 23. To see if the Town will vote to appropriate and raise by transfer from available funds a sum of money to investigate and adjust current valuations where necessary, or act in any manner relating thereto.

VOTED THAT THE Town appropriate and raise by transfer from the Triennial Certification account the sum of \$3,182.18 to investigate and adjust current valuations where necessary.

ARTICLE 24. To see if the Town will vote to appropriate and raise by taxation, by transfer from available funds, by transfer from the Stabilization Fund or by borrowing under the provisions of Chapter 44 of the General Laws, a sum of money to purchase and equip one new police vehicle for the Police Department and to authorize the Board of Selectmen to dispose of one old vehicle by trading against the purchase price of the new car, by outright sale, by auction or otherwise, or act in any manner relating thereto.

VOTED that the Town appropriate and raise by taxation, the sum of \$15,365.00 to purchase and equip one new police vehicle for the Police Department and to authorize the Board of Selectmen to dispose of one old vehicle by trading against the purchase price of the new car, by outright sale, by auction or otherwise.

ARTICLE 25. To see if the Town will vote to appropriate and raise by transfer from available funds a sum of money to purchase a new ambulance and necessary appurtenances and authorize the Board of Selectmen to dispose of the old ambulance by trading against the purchase price of the new ambulance, by outright sale, by auction or otherwise, and use the proceeds against the purchase price of the new vehicle, or act in any manner relating thereto.

VOTED that the Town appropriate and raise by transfer from ambulance receipts the sum of \$65,000.00 to purchase a new ambulance and necessary appurtenances and authorize the Board of Selectmen to dispose of the old ambulance by trading against the purchase price of the new ambulance, by outright sale, by auction or otherwise, and use the proceeds against the purchase price of the new vehicle.

ARTICLE 26. To see if the Town will vote to appropriate and raise by taxation, by transfer from available funds, by transfer from the Stabilization Fund, or by borrowing under the provisions of Chapter 44 of the General Laws, a sum of money to purchase two (2) new base station radios for the Police and Fire Departments, or act in any manner relating thereto.

VOTED that the Town appropriate and raise by taxation the sum of \$15,000.00 to purchase two new base station radios for the Police and Fire Departments.

ARTICLE 27. To see if the Town will vote to appropriate and raise by taxation, by transfer from available funds, by transfer from the Stabilization Fund, or by borrowing under the provisions of Chapter 44 of the General Laws, a sum of money to purchase a 1990 tanker/pumper and necessary appurtenances for the Fire Department and authorize the Board of Selectmen to dispose of one of the old fire trucks by trading against the purchase price of the new pumper, by outright sale, by auction or otherwise, or act in any manner relating thereto.

MOTION made by Gregg Guinta, Finance Committee member, that Article 27 be dismissed.

VOTED to dismiss Article 27.

ARTICLE 28. To see if the Town will vote to appropriate and raise by taxation, by transfer from available funds, by transfer from the Stabilization Fund, or by borrowing under the provisions of Chapter 44 of the General Laws, a sum of money to replace the siding (wood shingles) and to build a wooden shed on the existing pad to cover the generator at Fire Station #2, or act in any manner relating thereto.

MOTION made by Gregg Guinta that Article 28 be dismissed.

VOTED to dismiss Article 28.

ARTICLE 29. To see if the Town will vote to appropriate and raise by taxation, by transfer from available funds, by transfer from the Stabilization Fund, or by borrowing under the provisions of Chapter 44 of the General Laws, a sum of money to purchase new pagers and encoders to be used by the Fire Department, or act in any manner relating thereto.

VOTED that the Town appropriate and raise by taxation the sum of \$8,700.00 to purchase new pagers and encoders to be used by the Fire Department.

ARTICLE 30. To see if the Town will vote to appropriate and raise by taxation, by transfer from available funds, by transfer from the Stabilization Fund, or by borrowing under the provisions of Chapter 44 of the General Laws, a sum of money to purchase a storage container to be used by the Fire Department, or act in any manner relating thereto.

MOTION made by Gregg Guinta that Article 30 be dismissed.

VOTED to dismiss Article 30.

ARTICLE 31. To see if the Town will vote to amend its By-laws by adding a new Article XVIII, as follows:

Sealer of Weights and Measures Fees

	present	proposed
Scale w/capacity over 10,000 lbs.	50	100.
Scale w/capacity 5,000-10,000 lbs.	30.	60.

or act in any other manner relating thereto.

VOTED that the Town amend its By-laws by adding a new Article XVIII, Sealer of Weights and Measures Fees, as detailed in Article 31.

ARTICLE 32. To see if the Town will vote to rescind Article 37 of the 1989 Town Meeting concerning the control of that parcel of land on Dover Road, acquired by virtue of sale for non-payment of taxes, and vote to transfer Parcel 7 on Map 26 of the Millis Assessors' Maps, also known as Lot 35, Dover Road, and to authorize the Board of Selectmen to sell and convey it for \$1.00 to the Millis Housing Authority for construction of low and moderate income housing , or act in any manner relating thereto.r

MOTION made by Gregg Guinta that Article 32 be dismissed.

VOTED to dismiss Article 32.

ARTICLE 33. To see if the Town will vote to authorize the Board of Selectmen to acquire by gift, purchase, eminent domain or otherwise, a parcel of land containing 2600 square feet shown on Assessors Map 40 as Parcel 126, recorded in the Norfolk Registry of Deeds, Book 2518, Page 116, or act in any manner relating thereto.

UNANIMOUSLY VOTED that the Town authorize the Board of Selectmen to acquire by gift, purchase, eminent domain or otherwise, a parcel of land containing 2600 square feet shown on Assessors Map 40 as Parcel 126, recorded in the Norfolk Registry of Deeds, Book 2518, Page 116.

ARTICLE 34. To see if the Town will vote to authorize the Board of Selectmen to enter into contracts with the Massachusetts Department of Public Works and the Norfolk County Commissioners and to expend funds made available during the year for the construction and maintenance of public highways for the 1990-91 fiscal year, or act in any manner relating thereto.

VOTED that the Town authorize the Board of Selectmen to enter into contracts with the Massachusetts Department of Public Works and the Norfolk County Commissioners and to expend funds made available during the year for the construction and maintenance of public highways for Water Registrar(s), funds therefore to be obtained from the Sewer and Water budgets, or act in any manner relating thereto.

ARTICLE 35. To see if the Town will vote to authorize the Board of Public Works or the Board of Selectmen to appoint the Sewer and Water Registrar(s), funds therefore to be obtained from the Sewer and Water budgets, or act in any manner relating thereto.

VOTED that the Town authorize the Board of Public Works and/or the Board of Selectmen to appoint the Sewer and Water Registrar(s), funds therefore to be obtained from the Sewer and Water budgets.

ARTICLE 36. To see if the Town will vote to accept the 1989 Cemetery Trust Funds from individual families or estates as follows:

Mary Lipsett	\$200.00
Viola lipsett	200.00
Joseph G. Thibault	100.00
Viola Lipsett	200.00
Mr. and Mrs. Barney Nirenberg	200.00
Milford W. Kenney	300.00
Carla S. Dovi	200.00
Samuel Mushnick	200.00
Donald Olsen	100.00
Judith Colella	200.00
Aram Karoghlanian	100.00
Angela M. Goodwin	200.00
Elvira & Robert McCurley	200.00
Mary K. Rogers	600.00
Joseph L. Travers, Jr.	200.00
Gerald A. Daley	300.00
Theresa M. Shotwell	200.00
Susan Mak	200.00
Lawrence Bergen	400.00
Lawrence Costello	100.00
Winifred Brightman	200.00

or act in any manner relating thereto.

VOTED that the Town do vote to accept the 1989 Cemetery Trust Funds from individual families or estates as detailed in Article 36 of the 1990 Annual Town Meeting.

ARTICLE 37. To see if the Town will vote to appropriate and raise by transfer from available funds a sum of money to the Water Rehabilitation account authorized under Article 30 of the 1986 Annual Town Meeting to complete the project authorized thereunder, or act in any manner relating thereto.

VOTED that the Town appropriate and raise by transfer from Article 32 of the 1985 Annual Town Meeting (Sewer Design Engineering loan account) the sum of \$1,546.05 to Article 30 of the 1986 Annual Town Meeting (Water Main Rehabilitation account) to complete the project authorized thereunder.

ARTICLE 38. To see if the Town will vote to raise and appropriate by taxation or by transfer from available funds the sum of \$7,836.00 for the purpose of obtaining additional funding from the Commonwealth of Massachusetts for the construction, reconstruction and improvement of primary and secondary roads within the Town, or act in any manner relating thereto.

VOTED that the Town raise and appropriate by taxation the sum of \$7,836.00 for the purpose of obtaining additional funding from the Commonwealth of Massachusetts for the construction, reconstruction and improvement of primary and secondary roads within the Town.

ARTTICLE 39. To see if the Town will vote to appropriate and raise by transfer from available funds, or by borrowing under Chapter 44 of the General Laws a sum of money to be used by the Board of Public Works or Board of Selectmen for the resurfacing and maintenance of public highways, or act in any manner relating thereto.

VOTED that the Town appropriate and raise by taxation the sum of \$40,000.00 to be used by the Board of Public Works and/or Board of Selectmen for the resurfacing and maintenance of public highways.

ARTICLE 40. To see if the Town will vote to appropriate and raise by taxation, by transfer from available funds, by transfer from water revenue, by borrowing under the provisions of Chapter 44 of the General Laws, or by borrowing through community facility loans from the U. S. Department of Agriculture Farmers Home Administration, a sum of money to be used by the Board of Public Works or the Board of Selectmen relative to treatment of municipal water well No. 1 by either carbon filtration or air stripping, said funds to be used in conjunction with all available state and/or federal funds, or act in any manner relating thereto.

MOTION made by John Northgraves, Finance Committee member, that Article 40 be dismissed.

VOTED to dismiss Article 40.

ARTICLE 41. To see if the Town will vote to appropriate and raise by taxation, by transfer from available funds, or by borrowing under the provisions of Chapter 44 of the General Laws, a sum of money to be expended under the direction of the Board of Public Works or the Board of Selectmen for drainage projects, or act in any manner relating thereto.

VOTED that the Town appropriate and raise by taxation the sum of \$16,000.00 to be expended under the direction of the Board of Public Works and/or the Board of Selectmen for drainage projects.

ARTICLE 42. To see if the Town will vote to appropriate and raise by taxation, by transfer from available funds or by borrowing under Chapter 44 of the General Laws, a sum of money to be used by the Board of Public Works to purchase a new and unused cab and chassis (35,000GVW) diesel vehicle automatic powered and appurtenances, equipped with complete hydraulic system, 10 foot (five to seven yard) dump body, automatic hydraulic six yard sander, hydraulic center blade, 11 foot right hand snow plow, and to have the trade-in allowance of a 7500 series 1976 GMC applied to the purchase price of the new cab and chassis, or act in any manner relating thereto.

MOTION made by John Northgraves that Article 42 be dismissed.

VOTED to dismiss Article 42.

ARTICLE 43. To see if the Town will vote to transfer jurisdiction of the Memorial School and grounds to the Board of Selectmen when School use of the property ceases, said property shown as Parcel 116 on Assessors Map 23, containing 3.1 acres, more or less, or act in any manner relating thereto.

UNANIMOUSLY VOTED that the Town transfer jurisdiction of the Memorial School and grounds to the Board of Selectmen when School use of the property ceases, said property shown as Parcel 116 on Seasssors Map 23, containing 3.1 acres, more or less.

ARTICLE 44. To see if the Town will vote to appropriate and raise

by taxation or by transfer from available funds a sum of money to secure and maintain the Memorial School property upon transfer of jurisdiction to the Board of Selectmen, or act in any manner relating thereto.

MOTION made by John Hinkley, Finance Committee member, that Article 44 be dismissed.

VOTED to dismiss Article 44.

ARTICLE 45. To see if the Town will vote to authorize the Board of Selectmen to invite proposals for reuse of the Millis Memorial School and grounds, Assessors Map 23, Parcel 116, for town use and affordable housing, approved under one of the various state or federal housing assistance programs, plans to include no more than 30 housing units, or act in any manner relating thereto.

MOTION made by John Hinkley that the Town authorize the Board of Selectmen to invite proposals for reuse of the Millis Memorial School and grounds, Assessors Map 23, Parcel 116, for town use and affordable housing, approved under one of the various state or federal housing assistance programs, plans to include no more than 30 housing units.

MOTION made by Daniel Mundy to lay Article 45 on the table.

A standing vote was taken on this Motion.

By rising count, "Yes" 97 - "No" 37, it was VOTED to lay Article 45 on the table.

ARTICLE 46. To see if the Town will vote to authorize the Board of Selectmen to invite proposals for reuse of the Millis Memorial School and grounds, Assessors Map 23, Parcel 116, as affordable housing, approved under one of the various state or federal housing assistance programs, or act in any manner relating thereto.

MOTION made by John Hinkley that Article 46 be dismissed.

VOTED to dismiss Article 46.

MOTION made by Daniel Mundy to recess this meeting until Tuesday, May 15, 1990, at 7:30 p.m. in this hall..

By Voice Vote the Motion to recess was Not Carried.

ARTICLE 47. To see if the Town will vote to appropriate and raise by taxation or transfer from available funds, a sum of money to establish a summer recreation program for physically and mentally handicapped children, or act in any manner relating thereto.

VOTED that the Town appropriate and raise by taxation the sum of \$2,000.00 to establish a summer recreation program for physically and mentally handicapped children.

ARTICLE 48. To see if the Town will vote to appropriate and raise by taxation, by transfer from available funds, by transfer from the Stabilization Fund, or by borrowing under the provisions of Chapter 44 of the General Laws a sum of money for the lease and/or purchase of one van to

transport handicapped students, or act in any manner relating thereto.

VOTED that the Town appropriate and raise by taxation the sum of \$5,400.00 for the lease and/or purchase of one van to transport handicapped students.

ARTICLE 49. To see if the Town will vote to appropriate and raise by taxation, by transfer from available funds, by transfer from the Stabilization Fund, or by borrowing under the provisions of Chapter 44 of the General Laws a sum of money to remove the television trailer studio and set up a control room in the drafting room of the High School building, and authorize the Board of Selectmen to dispose of the trailer by outright sale, by auction or otherwise, or act in any manner relating thereto.

VOTED that the Town appropriate and raise by taxation the sum of \$1,900.00 to remove the television trailer from the High School and authorize the Board of Selectmen to dispose of the trailer by outright sale, by auction or otherwise, said funds to be allocated as follows: \$1400 to the School Committee to set up a control room in the High School and \$500.00 to the Board of Selectmen to remove the existing trailer.

ARTICLE 50. To see if the Town will vote to appropriate and raise by taxation, by transfer from the Stabilization Fund, or by borrowing under the provisions of Chapter 44 of the General Laws a sum of money for the purchase or lease/purchase of educational computer systems for the classrooms at the Clyde Brown School, Middle School and High School, or act in any manner relating thereto.

MOTION made by William Casey, Finance Committee member, that Article 50 be dismissed.

VOTED to dismiss Article 50.

ARTICLE 51. To see if the Town will vote to appropriate and raise by taxation, by transfer from available funds, by transfer from the Stabilization Fund, or by borrowing under the provisions of Chapter 44 of the General Laws a sum of money for the purchase of one new 71 passenger school bus, or act in any manner relating thereto.

MOTION made by William Casey that the Town appropriate and raise by borrowing under the provisions of Chapter 44 of the General Laws, for a period of five years, the sum of \$50,430.00 for the purchase of one new 71 passenger school bus.

The Voice Vote on the Motion not being unanimous, a standing vote was taken.

By rising count, "Yes" 113, "No" 6, it was VOTED that the Town appropriate and raise by borrowing under the provisions of Chapter 44 of the General Laws, for a period of five years, the sum of \$50,430.00 for the purchase of one new 71 passenger school bus.

ARTICLE 52. To see if the Town will vote to appropriate and raise by taxation, by transfer from available funds, by transfer from the Stabilization Fund, or by borrowing under the provisions of Chapter 44

of the General Laws a sum of money for the repair and replacement of doors, gaskets, and compressor on the walk-in freezer and refrigerator at the High School cafeteria, or act in any manner relating thereto.

VOTED that the Town appropriate and raise by taxation the sum of \$15,000.00 for the repair and replacement of doors, gaskets, and compressor on the walk-in freezer and refrigerator at the High School cafeteria.

ARTICLE 53. UNANIMOUSLY VOTED that the Town appropriate and raise by borrowing under the provisions of Chapter 44 of the General Laws, for a period of ten years, the sum of \$175,000.00 to repair sections of the High School roof.

ARTICLE 54. To see if the Town will vote to appropriate and raise by taxation, by transfer from available funds, by transfer from the Stabilization Fund, or by borrowing under the provisions of Chapter 44 of the General Laws a sum of money for the purchase of a pick up truck for the School maintenance department, or act in any manner relating thereto.

MOTION made by William Casey that Article 54 be dismissed.

VOTED to dismiss Article 54.

ARTICLE 55. To see if the Town will vote to amend Article V of its By-laws by deleting Section 10 and replacing it with the following:

"Section 10. The Water and Sewer Collector shall be bonded under the Town's Public Employees Blanket Bond.",
or act in any manner relating thereto.

VOTED that the Town amend Article V of its By-laws by deleting Section 10 and replacing it with the following:

Section 10. The Water and Sewer Collector shall be bonded under the Town's Public Employee Blanket Bond.

ARTICLE 56. To see if the Town will vote to amend Article V of its By-laws by deleting Section 11 and replacing it with the following:

"Section 11. In addition to the duties required by law, the Assessors shall publish the full valuation and tax list assessed within the Town shall instruct them to do so.",
or act in any manner relating thereto.

VOTED that the Town amend Article V of its By-laws by deleting Section 11 and replacing it with the following:

Section 11. In addition to the duties required by law, the Assessors shall publish the full valuation and tax list assessed within the Town or upon which taxes are paid to the Town at such times when the Town shall instruct them to do so.

ARTICLE 57. To see if the Town will vote to amend Article VIII of its by-laws by adding the following new section:

"Section 35. A ban on overnight street parking shall be in effect from 9:00P.M. until 6:00A.M. starting on November 15 and continuing through April 15, for the purpose of allowing for the efficient removal of snow and ice. The Police Department of the Town shall have the authority to remove, or cause to be removed to some convenient place, including in such term a public garage, any vehicle interfering at any time with the work of the Department of Public Works in removing of ice from the ways in the Town.

The owner of any such vehicle so removed by towing or other means shall be liable for reasonable costs of such removal and storage. Delivery of the vehicle to said owner may be withheld until such reasonable costs shall be paid.",
or act in any manner relating thereto.

ARTICLE 58. To see if the Town will vote to amend Article V of its By-laws by deleting Section 13 and replacing it with the following:

"Section 13. The Department of Public Works shall notify the Police Department of the Town of any vehicle interfering with the removal or plowing of snow, or the removal of ice, from the ways of the Town.",

or act in any manner relating thereto.

VOTED THAT THE Town amend Article V of its By-laws by deleting Section 13 and replacing it with the following:

Section 13. The Department of Public Works shall notify the Police Department of the Town of any vehicle interfering with the removal of plowing of snow, or the removal of ice, from the ways of the Town.

ARTICLE 59. To see if the Town will vote to amend Article VI Appropriations of its By-laws by deleting the first sentence of Section 2, and replacing it with the following:

"When the estimated amount of a proposed contract exceeds \$3,000.00 and such contract is not subject to G.L. Chapter 30B or other public procurement procedures prescribed by any general or special law, proposals shall be called for in the manner provided in this section.",

or act in any manner relating thereto.

VOTED that the Town amend Article VI Appropriations of its By-laws by deleting the first sentence of Section 2. and replacing it with the following:

When the estimated amount of a proposed contract exceeds \$3,000.00 and such contract is not subject to General Law Chapter 30B or other public procurement procedures prescribed by any general or special law, proposals shall be called for in the manner provided in this section.

ARTICEL 60. To see if the Town will vote to repeal Article V, Section 19, Sale of Town Property, of its By-laws to comply with the provisions of the Uniform Procurement Act, or act in any manner relating thereto.

VOTED that the Town repeal Article V, Section 19, Sale of Town Property, of its By-laws to comply with the provisions of the Uniform Procurement Act.

ARTICEL 61 To see if the Town will vote to delete Artidcle IX of its By-laws in its entirety and replace it with the following:

"Article IX. Penalties

Section 1. Whoever violates any provision of the Town By-laws shall, in cases not otherwise provided for, forfeit and pay for each offense a fine not exceeding \$50.00. Each day, or portion of a day, that any violation of any provision of the Town By-laws is allowed to continue would constitute a separate offense.

Such fines shall be recovered by indictment or on complaint before a district court, or by non-criminal disposition in accordance with Massachusetts General Law, Chapter 40, Section 21D.

Section 2. As provided in said Section 21D, the enforcing person may give to the offender a written notice, on a form prescribed by the district court, to appear on a date not later than twenty-one days later than the date on the notice, before a clerk of the district court. Any person notified to so appear may pay the fine by mail or in person to the clerk. If the person so notified to appear desires to contest the violation, he may, within said twenty-one days, request a hearing in writing.

Without intending to limit the generality of the foregoing, it is the intent of this provision that the following by-laws or sections by by-laws and municipal rules and regulations, are to be included within the scope of this subsection, that the specific penalties as listed here shall apply in such cases and that in addition to police officers, who shall in all cases be considered enforcing persons for the purpose of this provision, the municipal personnel listed for each section, if any, shall also be the enforcing person for such sections: each day on which any violation exists shall be deemed to be a separate offense.

BOARD OF HEALTH RULES AND REGULATIONS

Maximum Fine Allowed:	\$300.00
Enforcement Agent:	Board of Health and Designated Agents
Fine Schedule:	1st offense - warning
	2nd and each subsequent offense -
	\$500.00 increments up to \$300.00
	maximum/per day/per violation

ZONING BY-laws

Maximum Fine Allowed: \$300.00
 Enforcement Agent: Building Inspector
 1st offense - \$25.00
 2nd offense - \$50.00
 3rd and each subsequent offense -
 \$100.00 increments up to \$300.00
 maximum/per day/per violation

TOWN BY-LAWS - ARTICLE VIII

Enforcing agents may issue a warning for first offense, a fine of \$25.00 for second offense and \$50.00 for third and each subsequent offense.

		Enforcing Agent	Maximum Fine

After considerable discussion, a Motion was made to Move the Previous Question.

UNANIMOUSLY VOTED to Move the Previous Question.

By Voice Vote it was Voted to Amend Article 7, Line No. 82, Board of Health Expenses to read \$21,027, and to Amend Contracts/Engineering to read \$15,000.00.

MOTION made by Clifford Burnett for reconsideration of Article 62.

The Voice Vote being in doubt a standing vote was taken.

By rising count, "Yes" 58 - "No" 44, the Motion for reconsideration was Carried.

MOTION made by Clifford Burnett that Article 62 be dismissed.

The Voice Vote being in doubt a standing vote was taken.

By rising count, "Yes" 45 - "No" 58, the Motion for dismissal was Not Carried.

ARTICLE 63. To see if the Town will vote to authorize the Board of Selectmen to petition the Legislature to revoke the acceptance of Chapter 41, Section 69C through 69F, as voted at the March 23, 1970 Annual Town Meeting, or act in any manner relating thereto.

VOTED that the Town authorize the Board of Selectmen to petition the Legislature to revoke the acceptance of Chapter 41, Section 69C through Section 69F, as voted at the March 23, 1970 Annual Town Meeting.

ARTICLE 64. To see if the Town will vote to amend Article III of its By-laws by deleting Section 5 and replacing it with the following:

"Section 5. The Board of Selectmen shall procure, with the approval of the Board of Health, and maintain a suitable place for the disposal solid waste where the inhabitants of the Town shall have the right, under suitable regulations to be made from time to time by the Board of Selectmen with the approval of the Board of Public Health. Said facility shall be under the care and supervision of the Board of Selectmen.",

or act in any manner relating thereto.

VOTED that the Town amend Article III of its By-laws by deleting Section 5 and replacing it with a new section as detailed in Article 64 of the 1990 Annual Town Meeting.

ARTICLE 65. To see if the Town will vote to amend Article IV of its By-laws by adding the following new section:

"Section 5. An inventory of all Town equipment shall be prepared each year by the Town Administrator and shall be presented to the Board of Selectmen.",

or act in any manner relating thereto.

VOTED that the Town amend Article IV of its By-laws by adding the following new section:

Section 5. An inventory of all Town equipment shall be prepared each year by the Town Administrator and shall be presented to the Board of Selectmen.

ARTICLE 66. To see if the Town will vote to amend Article V of its By-laws by deleting Section 16 and replacing it with the following:

"Section 16. The Selectmen shall annually appoint a committee of three members to review surface drainage problems within the Town of Millis and report its recommendations to the Board of Selectmen.",

or act in any manner relating thereto.

VOTED that the Town amend Article V of its By-laws by deleting Section 16 and replacing it with the following:

Section 16. The Selectmen shall annually appoint a committee of three members to review surface drainage problems within

the Town of Millis and report its recommendations to the Board of Selectmen.

ARTICLE 67. To see if the Town will vote to amend Article V of its By-Laws by adding the following new section:

"Section 27. The Department of Public Works shall be managed by the Town Administrator under the jurisdiction of the Board of Selectmen. The Board of Selectmen shall have the power to make all policy decisions related to public works matters within the Town and shall be authorized to act as Water and Sewer Commissioners. The Board of Selectmen shall have the responsibility for carrying out all public works functions of the Town including, but not limited to the following: highway, water and sewer maintenance, solid waste disposal, park and playground maintenance, maintenance of all town buildings (except those under the jurisdiction of the School Department), and other operations as may be deemed necessary or desirable.",

or act in any manner relating thereto.

MOTION made by Georgeanne Roe that Article 67 be Amended by adding after the words "School Department", the words "and Board of Library Trustees".

By Voice Vote the Amended Motion was Carried.

VOTED that the Town amend Article V of its By-laws by adding the following new section:

Section 27. The Department of public Works shall be managed by the Town Administrator under the jurisdiction of the Board of Selectmen. The Board of Selectmen shall have the power to make all policy decisions related to public works matters within the Town and shall be authorized to act as Water and Sewer Commissioners. The Board of Selectmen shall have the responsibility for carrying out all public works functions of the Town including, but not limited to the following: highway, water and sewer maintenance, solid waste disposal, park and playground maintenance, maintenance of all town buildings (except those under the jurisdiction of the School Department and Board of Library Trustees), and other operations as may be deemed necessary or desirable.

ARTICLE 68. To see if the Town will vote to amend Article V of its By-laws by adding the following new section:

"Section 28. The Board of Selectmen shall have the authority to appoint a Water and Sewer Advisory Commission. Such Commission shall have the power to provide advice and information to the Board of Selectmen and the Town Administrator on matters relating to the operations of the water and sewer systems of the Town. The Commission shall consist of three members each of whom shall serve a three year term so arranged such that the term of one member expires each year.",

or act in any manner relating thereto.

VOTED that the Town amend Article V of its By-laws by adding a new Section as detailed in Article 68 of the 1990 Annual Town Meeting.

ARTICLE 69. To see if the Town will vote to amend Article XIII, Sections a. through h., inclusive, by deleting the words "Board of Public Works" and inserting in place thereof the words "Board of Selectmen", or act in any manner relating thereto.

VOTED that the Town amend Article XIII, Sections a. through h., inclusive, be deleting the words "Board of Public Works" and inserting in place thereof the words "Board of Selectmen".

ARTICLE 70. To see if the Town will vote to amend Article XVI of its By-laws by deleting the words "and Board of Public Works" each time they appear, and to delete the comma after the word "Selectmen" in the first sentence, and to insert in place thereof the word "and", or act in any manner relating thereto.

VOTED that the Town amend Article XVI of its By-laws by deleting the words "and Board of Public Works" each time they appear, and to delete the comma after the word "Selectmen" in the first sentence, and to insert in place thereof the word "and".

At this time the Moderator read the report of the Planning Board on Articles 71 - 80.

ARTICLE 71. To see if the Town will vote to amend the Zoning By-laws and Zoning Map by establishing as a commercial district land now included in a residential district located on Farm Street, being shown as Lot 2 on a plan entitled "Plan of Land in Millis, Mass. property of John Santosetux", dated August 19, 1959, recorded in the Assessors' office as Map 31, Parcel 8, comprising approximately 84,694 square feet according to said plan, a copy of which plan is on file in the Town Clerk's Office; or take any other action relative thereto.

UNANIMOUSLY VOTED to amend the Zoning By-laws and Zoning Map by establishing as a commercial district land now included in a residential district located on Farm Street, Millis, being shown as Lot 2 on a plan entitled "Plan of Land in Millis, Mass. property of John Santosetux", dated August 19, 1959, recorded in the Assessors' office as Map 31, Parcel 8, comprising approximately 84,694 square feet according to said plan.

ARTICLE 72. To see if the Town will vote to amend Section II of the Zoning By-Law by adding the following new definitions:

"Architect: A person who is permanently registered by the State of Massachusetts, or out-of-state registrant, who is legally permitted on a temporary basis by the State Massachusetts, to practice professional architecture services in the Commonwealth of Massachusetts.

Driveway: A way for passage of vehicles, located on a lot. Such way may be paved or unpaved, and shall not be more than twenty-four feet in width, and shall have as its principal purpose vehicle access to a garage or off-street parking area.

Landscape Architect: A person who is permanently registered by the State of Massachusetts, or out-of-state registrant who is legally permitted on a temporary basis by the State of Massachusetts, to practice professional landscape architecture services in the Commonwealth of Massachusetts.

Lot Line, Rear: The lot line opposite from the front line. In the case of a triangular lot, the point furthest from the front lot line at which the two side lot lines meet. In the case of a five or more sided lot, the rear lot line shall be the line whose end points are furthest from the midpoint of the front lot line, as measured by summing the distances of both end points of candidate rear lot lines, from the midpoint of the front lot line. For purposes of measuring lot depth, in the case of a triangular or a five or more sided lot, the rear lot line shall be the line measured from the midpoint of the largest side lot line, and parallel to the front line.

Low and Moderate Income Housing: A residential structure or structures constructed and financed for the purpose of providing ownership or rental living space for persons who qualify under Town of Millis Housing Authority and State of Massachusetts eligibility requirements as low and moderate income households.

Sludges: Any mixture of solid and liquid waste materials resulting from any industrial or sewage disposal or chemical or water treatment processes. Such materials that have been "dewatered" to remove most or all liquid materials shall also be defined as sludge.",

or act in any manner relating thereto.

MOTION made by Mary Catherine Davis, Finance Committee member, that the Town amend Section 11 of the Zoning By-laws by adding the definitions as detailed in Article 72 of the 1990 Annual Town Meeting with the exception of the definition titled Lot Line, Rear, said definition to read as follows:

Lot Line, Rear: The lot line opposite from the front line. In the case of a five or more sided lot, the rear lot line shall be the line whose end points are furthest from the midpoint of the front lot line, as measured by summing the distances of both end points of candidate rear lot lines, from the midpoint of the front lot line. For the purposes of measuring lot depth, in the case of a triangular lot, the rear lot line shall be the line measured from the midpoint of the longest side lot line, and parallel to the front lot line, and it was UNANIMOUSLY VOTED.

ARTICLE 73. To see if the Town will vote to amend the Zoning By-Law, Section VI, Area, Height and Bulk Regulation, by adding a new Paragraph F, as follows: "All lots shall have a ratio of perimeter to area of less than 0.08 and shall have a width, measured 1) from the midpoint of the longest side lot line, and 2) parallel to the front line, of at least

70% of the length of the front lot line; excepting triangular lots, in which case the lot width need only be 50% of the front lot line.",

or act in any manner relating thereto.

UNANIMOUSLY VOTED that the Town amend the Zoning By-law, Section VI, Area, Height and Bulk Regulations, by adding a new paragraph F as follows:

All lots shall have 1) a ratio of perimeter to area of less than 0.08 and 2) a width, measured from the midpoint of the longest side lot line, and parallel to the front lot line, of at least 70% of the length of the front lot line; excepting triangular lots, in which case the lot width need only be 50% of the front lot line.

ARTICLE 74. To see if the Town will vote to amend the Zoning By-law, Section VIII, Off Street Parking and Loading Regulations, Paragraph C, Parking and Loading Lot Standards, by adding a new subsection "q" as follows:

"Common driveways are prohibited except in the case of multi-family developments, planned business developments and planned industrial developments. Each lot shall have its own driveway for exclusive use and access. No driveways shall provide access to more than one lot.",

or act in any manner relating thereto.

VOTED that the Town amend the Zoning By-law, Section VIII, Off Street Parking and Loading Regulations, Paragraph C, Parking and Loading Lot Standards, by adding a new subsection "q" as detailed in Article 74 of the 1990 Annual Town Meeting.

ARTICLE 75. To see if the Town will vote to amend the Zoning By-law, Section VIII, Off Street Parking and Loading Regulations, Paragraph C, Parking and Loading Lot Standards, by adding a new subsection "r" as follows:

"All driveways shall access public ways across the front lot line.",
or act in any manner relating thereto.

MOTION made by Leonard Bateman that Article 75 be dismissed.

VOTED to dismiss Article 75.

ARTICLE 76. To see if the Town will vote to amend the Zoning By-Law, Section XIII, Administration and Enforcement, Paragraph K, Violation Penalty, by adding a new paragraph as follows:

"Non-criminal disposition. In addition to the procedures for enforcement as described above, the provisions of this zoning by-law may also be enforced, by the Building Inspector, by non-criminal complaint pursuant to the provisions of MGL, Chapter 40, Section 21D. Each day on which a violation exists shall be deemed to be a separate offense. The penalty for violation of any provisions of this by-law shall be \$25.00 for the first offense; \$50.00 for the second offense; \$100.00 for the third offense and \$100.00 increments for subsequent

offenses up to a maximum of \$300.00."

or act in any manner relating thereto.

UNANIMOUSLY VOTED that the Town amend the Zoning By-law, Section XII, Administration and Enforcement, Paragraph K, Violation Penalty, be adding a new paragraph as detailed in Article 76 of the 1990 Annual Town Meeting.

ARTICLE 77. To see if the Town will vote to amend the Zoning By-law, Section XII Administration and Enforcement, by adding a new Paragraph T, as follows:

"An Associate Member to the Planning Board shall be appointed by the Board of Selectmen for a term of one year, such Associate Member to act on Special Permits.",

or act in any manner relating thereto.

UNANIMOUSLY VOTED that the Town amend the Zoning By-law, Section XII Administration and Enforcement, by adding a new Paragraph T, as follows:

An Associate Member to the Planning Board shall be appointed by the Board of Selectmen for a term of one year, such Associate Member to act on Special Permits.

ARTICLE 78. To see if the Town will vote to amend the Zoning By-Law, Section XIII, Special Permit Conditions, Paragraph C(3) by adding the following:

"For structures of less than 750 square feet requiring site plan review the Planning Board may issue a waiver of complete requirements. Such a waiver may be granted after review of a sketch plan of the project with limited supporting information about the major features and impact of the project. The sketch plan should show buildings, proposed construction, abutting properties and railroad access. Drainage and landscape features, if any, can be shown in a general way on such a sketch plan. The sketch plan need not be prepared by a professional engineer or architect, but it should be legible and accurate and drawn to a consistent scale.

Application for such a waiver may be by letter from an applicant, with the sketch plan and supporting materials attached. Upon favorable vote by the Planning Board, the Board shall issue a certificate of waiver from further site plan review. The Board shall act on all applications for such waivers within thirty (30) days of their receipt. Failure to grant such a waiver means the applicant must proceed with a full site plan review if they want appropriate town permits.",

or act in any manner relating thereto.

ARTICLE 79. To see if the Town will vote to amend the Zoning By-Law, Section XIII, Special Permit Conditions, by adding a new Paragraph J, as follows:

"All temporary structures intended to exist for a period of more than seven days, including air supported buildings, must comply with all provisions of the Massachusetts Building Code. All structures over 500 square feet in floor area must apply to the Planning Board for a special permit. In reviewing applications, the Planning Board shall consider the following factors:

1. Public safety in the event of a building failure or collapse.
2. Proposed maintenance procedures to keep the struc-
4. Any unusual impacts the structures may have such as light reflection or generation.

In granting a special permit the Planning Board may require the applicant to submit written materials such as reports and engineering plans and manufacturers specifications to inform them in their review of any proposed temporary structures. In granting a special permit the Planning Board may require special conditions to protect public safety, health and convenience. Temporary structures erected for the purpose of supporting the construction of permanent structures are exempt from the provisions of this section.",

or act in any manner relating thereto.

UNANIMOUSLY VOTED that the Town amend the Zoning By-law, Section XIII, Special Permit Conditions, by adding a new Paragraph J as detailed in Article 79 of the 1990 Annual Town Meeting.

ARTICLE 80. To see if the Town will vote to amend the Zoning By-Law, Section XIII, Special Permit Conditions, by adding a new Paragraph K, as follows:

"Land clearing, excavation, sand and gravel removal, or clear cutting of trees and shrubbery, in anticipation of any use permitted or authorized by these zoning by-laws and regulations of the Town of Millis, or laws of the State of Massachusetts, is prohibited, prior to the issuance of all required approvals, permits, variances, licenses and authorization. Limited clearing and excavation and grading is permitted for the purpose of providing access and necessary survey and engineering data.

The following activities are specifically exempt from these regulations:

- a. Agricultural uses provided any cleared areas exceeding the permitted site coverage area are planted with crops or grazing material within ninety (90) days of land clearing.
- b. Necessary land clearing within the layout of an

existing road, street or way or a way shown on a plan theretofore approved and endorsed by accordance with the Subdivision Control Law.",

or act in any manner relating thereto.

UNANIMOUSLY VOTED that the Town amend the Zoning By-law, Section XIII, Special Permit Conditions, by adding a new Paragraph K as detailed in Article 80 of the 1990 Annual Town Meeting.

MOTION made by Patricia Sjogren to take Article 82 out of order and act on this before taking action on Article 81, and it was so VOTED.

ARTICLE 82

ARTICLE 82. To see if the Town will vote to accept the agreement establishing Tri-County as amended and as it may be further amended to provide for the admission of the Towns of Plainville and Wrentham. The amendment provides that (a) that each town will have one member of the School Committee appointed by the Moderator, the Chairman of the Board of Selectmen and the Chairman of the School Committee of the, acting jointly for a three year term; (b) that for the first fiscal year of its membership the Town will contribute as its entire share of the operating costs and capital costs of Tri-County for such year an amount equal to what it would pay if the students from the Town enrolled in Tri-County were tuition students, and the Town will also be responsible for all the transportation costs of those students. After its first year of membership the Town will pay its share of operating costs apportioned in accordance with Section IV of the Agreement; and (c) that the effective date for admission of the Town will be July 1st following its acceptance of the amended Tri-County agreement and the acceptance by each of the existing member towns of the amendment admitting the town, or act in any manner relating thereto.

VOTED that the Town accept the agreement establishing Tri-County as amended and as it may be further amended to provide for the admission of the Towns of Plainville and Wrentham as detailed in Article 82 of the 1990 Annual Town Meeting.

MOTION made by Lisa Hardin for reconsideration of Article 5.

By Voice Vote the Motion for reconsideration was Not Carried.

ARTICLE 81. To see if the Town will vote to have the Moderator appoint a committee which shall report to the next Annual Town Meeting on whatever matter or matters may be presented to it by Town officials through the Board of Selectmen prior to the next Annual Town Meeting, or act in any manner relating thereto.

VOTED that the Town have the Moderator appoint a committee which shall report to the next Annual Town Meeting on whatever matter or matters may be presented to it by Town officials through the Board of Selectmen prior to the next Annual Town Meeting.

VOTED to adjourn sine die at 10:08 p.m., the business of the Warrant being completed.

Roma L. Curran

Town Clerk

SPECIAL TOWN MEETING
MILLIS, MASSACHUSETTS, MONDAY, NOVEMBER 19, 1990

A Special Town Meeting of the Town of Millis, Massachusetts was held Monday, November 19, 1990, in the George C. Roy auditorium of the Middle/High School and was called to order by the Moderator, John G. Dugan, at 7:38 p.m.

The Town Warrant calling this business meeting was signed by Selectmen George G. Ford, Meriel N. Hardin and Douglas C. Priest and was posted on November 2, 1990 by Helen R. Kubacki, Constable, in accordance with the By-laws of the Town of Millis.

Voting List Inspectors:

Lorraine Consoletti
Rose Robinson
Madelene Thumith
Marian Ingraham

Tellers appointed and sworn in by the Moderator:

David Noon
Eileen Richardson
Russell Whittaker

The Moderator asked the Tellers to take a count of the voters in the hall. The quorum requirement for this meeting is 225 voters and the count showed 235 voters present.

MOTION made by John Hinkley, Finance Committee Chairman, that the reading of the Warrant and return of service thereof be omitted, and it was so VOTED.

MOTION made by John Hinkley that the Moderator be granted unanimous consent to omit the reading of the articles and to refer to them by number and subject matter, and it was so VOTED.

ARTICLE 1. To see if the Town will vote to transfer a sum of money from surplus revenue or other available funds to meet the additional expenses of the current fiscal year not sufficiently funded under Article 7 of the 1990 Annual Town Meeting, or act in any manner relating thereto.

VOTED that the Town appropriate and transfer the sum of \$10,000.00 from free cash to Planning Board Engineering to meet the additional expenses of the current fiscal year not sufficiently funded under Article 7 of the 1990 Annual Town Meeting.

ARTICLE 2. To see if the Town will vote to transfer from available funds a sum of money to pay unpaid bills from previous fiscal years incurred by Town Departments, or act in any manner relating thereto.

VOTED that the Town appropriate and transfer the sum of \$2,462.21 from free cash to pay unpaid bills from previous fiscal years incurred by Town departments as follows:

Camp Dresser & McKJee, Inc. \$2,382.21 for Planning Board
Engineering

Business Records Corp. 80.00 for Computer Maintenance

ARTICLE 3. To see if the Town will vote to accept an equal education opportunity grant for fiscal year 1991 in the amount of \$101,062.00, under the provisions of the General Laws Chapter 70A, Section 5 as inserted by Chapter 188 of the Acts of 1985, said grant shall be expended by the Tri-County Regional School District Committee for direct service expenditures, or act in any manner relating thereto.

VOTED that the Town accept an equal education opportunity grant for fiscal year 1991 in the amount of \$101,062. under the provisions of the General Laws Chapter 70A, Section 5 as inserted by Chapter 188 of the Acts of 1985, said grant shall be expended by the Tri-County Regional School District Committee for direct service expenditures.

ARTICLE 4. To see if the Town will vote to appropriate by borrowing a sum of money for design engineering of the modified Phase IA lateral sewer project to include Concord Circle, Ticonderoga Lane, Lexington Lane, Saratoga Terrace, Brandywine Terrace, Independence Lane and a portion of Farm Street; and, if feasible, a small southern portion of Farm and Village Streets, said funds to be contingent upon a successful debt exclusion vote at a Town election, or act in any manner relating thereto.

The Voice Vote not being Unanimous, a standing vote was taken.

By rising count, "Yes" 240 - "No" 12, it was VOTED that the Town appropriate by borrowing the sum of \$200,000.00, for design engineering of the modified Phase IA lateral sewer project to include Concord Circle, Ticonderoga Lane, Lexington Lane, Saratoga Terrace, Brandywine Terrace, Independence Lane and a portion of Farm Street from a point on Farm Street approximately 350 feet easterly from the intersection of Farm Street and Alma Road to a point on the southerly end of Farm Street, and to raise this appropriation, the Treasurer with the approval of the Selectmen be authorized to borrow \$200,000.00 under General Law, Chapter 44, Section 7, said borrowing to be contingent upon an affirmative debt exclusion vote at a town election.

VOTED to adjourn sine die at 8:27 p.m., the business of the Warrant being completed.

Roma L. Curran
Town Clerk

REPORT OF THE BOARD OF SELECTMEN

Following the Annual Town Election, the Board of Selectmen reorganized, with George G. Ford as Chairman, Meriel N. Hardin as Vice Chairman and Douglas C. Priest as Clerk.

Charter Changes - The changes proposed in the Charter were implemented. During the fall, the Board of Selectmen assumed the duties once held by the Commissioners of Public Works. One of the major changes was the hiring of a Town Administrator. Over fifty applications were received. The field was narrowed to fifteen by utilizing the assistance of James Merriam, Town Administrator of Walpole, Michael Sullivan, Town Administrator of Medfield, and Marilyn Morris, Town Administrator of Norfolk. These fifteen names were presented to a Selection Committee. The members of this committee were Hindy Rosenfeld, James McCaffrey, Edna Neville, Russell Chamberlain and Richard Milley. This committee narrowed the field to six which were presented to the Selectmen. After extensive interviews, the Board selected Charles Aspinwall, Assistant Town Administrator of Walpole, to be the first Town Administrator of Millis. We wish Charles the best as he begins his service to Millis.

Regionalization - The Board of Selectmen has as one of its goals to continue to work on various forms of regionalization with our neighboring towns. In 1990, the Selectmen of Millis, Sherborn, Holliston and Medfield met to share ideas, such as regionalized dispatch, shared positions, joint purchasing. As a result of those meetings, Millis has joined forces with other towns to purchase its fuel oil and diesel fuel. The Town of Millis purchases many items jointly with other towns, as well as with Town departments, and takes advantage of State contracts as well.

Emergency Planning Committee - The provisions of SARA Title III (Superfund Amendment and Reauthorization Act of 1986) require local governments to become involved in the planning process for chemical emergencies. Under Title III of SARA, also known as the Emergency Planning and Community Right to Know Act, local governments are able to increase protection for their citizens. To that end, Millis' Local Emergency Planning Committee meets regularly, and periodically holds meetings involving neighboring towns. The Selectmen have been instrumental in promoting the committee's important role.

Southwest Area Planning Council - Millis is actively participating in the Southwest Area Planning Committee (SWAP), a subregion of the Metropolitan Area Planning Council (MAPC). SWAP includes nine towns (Dover, Sherborn, Millis, Holliston, Hopkinton, Franklin, Bellingham, Wrentham and Milford) and representatives from MAPC who are working together on common interests and goals. During 1990, the work has been focused on three major areas. First, reviewing and amending MetroPlan 2000, a regional plan that encourages development in concentrated areas where infrastructure is already in place and where public transit can be promoted. The plan would reduce traffic congestion, air pollution and fuel consumption, as well as reduce pressures to develop open land. Second, working to provide public transit facilities with appropriate fees, routes and parking facilities. Third, looking at financing and zoning opportunities to provide affordable housing. Our participation in SWAP is part of the Town's commitment to work with our neighbors for our common good.

Millis Recycling Consortium - The Consortium, which will provide towns with long-term recycling control and service, is the prototype for the Commonwealth and is the first of its kind in the country. The Director of the Department of Environmental Protection's Solid Waste Division, Willa Small Kuh, stated, "The Millis Consortium stands in the forefront of Massachusetts communities moving to transform their waste management system to one which relies heavily on waste diversion. I applaud your foresight and thank you again for your dedication and enthusiasm in pursuing this effort."

State funds provided a needs analysis and request for proposal. Fifty-five companies have requested these documents. The time-line for this project to become operational is early 1993. These two documents are now being used by every regional and local group across the Commonwealth as the standard to follow.

Millis Recycling- Since the introduction of recycling, the Town of Millis has realized a significant savings in disposal costs. Several towns have asked for information or have come to Millis to review our operations and method of disposal.

In addition to glass, metal, newsprint, leaves and grass, certain types of plastic are now being recycled, and the Town has an agreement with Millis Used Auto Parts to take Millis residents' waste oil. Composting has been very successful. The composted material is available free of charge to all residents who use the Transfer Station.

Millis is in the process of testing recycled gasoline for use in Town vehicles. If successful, our fuel costs would be cut by half. Millis is also reviewing an opportunity to recycle antifreeze. The resident pays a fee to recycle antifreeze and, in return, receives a credit slip for an equal amount of clean antifreeze.

Quarterly Tax Billing - The Board has held several meetings to discuss the implementation of quarterly tax billing in Millis. The most attractive aspect of quarterly billing is improved cash flow which is a significant financial benefit to the Town. Cities and towns adopting this legislation have indicated positive experience with the quarterly system.

Memorial School - As of this writing, the Memorial School is still under the control of the School Department. The Board has made arrangements for Civil Defense and the Historical Society to use two rooms in the school. A plan will need to be developed for the Memorial School building once it is no longer under the control of the school department.

Citizen Participation in Local Government - The Board continues to encourage citizen participation in town government. Volunteers are needed to serve on various boards, committees and commissions. Please contact the Selectmen's office if you are interested in serving your hometown.

Conclusion - Millis now enters a new phase in its history. The time has come to see how the changes made in 1990 will affect our Town. We can be proud of our history and look with confidence to our future.

Respectfully submitted,
George G. Ford, Chairman
Meriel N. Hardin, Vice Chairman
Douglas C. Priest, Clerk

**LICENSES AND PERMITS ISSUED IN 1990
BY THE BOARD OF SELECTMEN**

14 Alcoholic Beverage Licenses:

- 9 All Alcoholic - Common Victualler
- 3 All Alcoholic - Package Store
- 1 Wine and Malt - Package Store
- 1 All Alcoholic - Veterans' Club

20 Common Victualler Licenses

REPORT OF THE COUNCIL ON AGING

The Council on Aging is a seven-member Board appointed by the Board of Selectmen. Meetings are held the fourth Thursday of each month at Kennedy Terrace, 7:30 p.m. Interested persons are cordially invited to attend.

Activities sponsored by the COA include a weekly blood pressure clinic, craft classes in ceramics, basketry, stained glass, oil painting, knitting/crochet, etc. Books and current magazines are available for use as are cards, games and puzzles. Swimming, bowling and a walking club are available to all interested. The Senior Center is located in the Hall at St. Paul's Church and is open weekdays 8:00 a.m. to 1:00 p.m. Congregate meals are served daily at noon, and Meals on Wheels are delivered from the site by Luella Burbank through a federal program administered by HESSCO.

The Council also operates an extensive transportation system for senior and handicapped to day care centers, medical appointments, area hospitals, Town Meetings, special events, shopping malls, local shopping, and to the Senior Center for meals, social contacts, seminars and activities. Approximately 2,546 round-trips and 15,340 miles were logged last year by our vehicles. The Outreach Program includes: distribution of the "Late Bloomers" newsletter (approximately 850 copies - 750 by direct mail to seniors); tax assistance; housing referrals; medical and social security forms assistance; friendly visitor and telephone reassurance programs; health clinics; and home visits. Fuel assistance applications and surplus food distribution, as well as MBTA pass registrations for the entire town, are processed at the Senior Center and administered by COA personnel. During the past year seminars were held on legal, financial, tax, insurance, safety, lifeline and nutrition subjects. Outreach Worker Victoria O'Grady resigned and replacements are being interviewed.

In June an Open House was held to celebrate Senior Citizen Month, and in September we were proud to honor almost 100 volunteers at a luncheon. Without their help (both seniors and non-seniors) many of our programs could not be successfully carried out. In the fall, due to rising costs, cellular phones were replaced with two-way radios in the cars, and they are working well.

Through a federally funded program administered by HESSCO, we now have two Senior Aides, Julia Anderson and Virginia Chapman. Their duties include answering the telephone, scheduling transportation needs, typing and compiling statistical data for reports.

The Council sincerely thanks Ellinor Harkins for her fine work as Director, the Friends of the COA for their financial assistance, Roche Bros. for their many donations, the Millis Lions' Club for the Senior Christmas Party at Glen Ellen and the Medway VFW for their gift of Bingo equipment.

Respectfully submitted,

Richard Barrett, Chairman
Bernice Fouhey, Vice Chairman

TOTAL RESPONSES.....	341

Of this total, 41 were mutual aid responses to other towns, as follows:

Medway - 22; Medfield - 15; Norfolk - 2; Holliston - 1; Sherborn - 1.

During the last week of calendar year 1990, we took delivery of a brand new ambulance. It is a state-of-the-art diesel engine-powered vehicle, larger than our previous eight year-old unit. No tax money was used to purchase this, since we are allowed by state law to bill patients for this expensive service and set this money aside for this purpose. Most people have insurance to cover this charge, and we bill Medicare directly.

I am always heartened by the support we get from individuals and groups like the Millis Amvets, Millis Belles and others. I want to especially thank the Millis Lions Club, whose members devote many hours of selfless dedication to raising money for projects the Town could not afford on its own. Their efforts have provided the ambulance with an automatic pulse/blood pressure monitor and now a defibrillator.

Respectfully submitted,
H. Robert Yeager, RN, EMT
Director

1990 REPORT OF THE MILLIS ZONING BOARD OF APPEAL

- 2/5/90 CVS Pharmacy - Milliston Common, granted sign variance.
- 2/5/90 Toth, John and Kathleen - Lot 2, Ridge St., granted lot depth variance.
- 2/7/90 Picklesimer, Dorman, Jr. & Claudette M. - 183 Farm St., granted renewal of annual special permit.
- 5/8/90 Papadopoulos, George and Tina, and Burns, Jr., Raymond - 871 Main St., denied variance.
- 5/8/90 Wyman, Richard - 43 Van Kleeck Rd., denied use variance.
- 6/4/90 Champagne, Warren and Linda - 266 Pleasant St., granted special permit with 3 conditions imposed thereon.
- 6/4/90 D & S Realty Co., Inc., Sally Dmytryck, Pres., reversed decision of May 5, 1989, and voted to support entry of an Agreement for Judgment granting comprehensive permit pursuant to G. L. c. 40B, § 21, on approximately 16.1 acres of land located on Timberline Road (assessors' map 16/9, parcel 18/44, 45, 46), with 14 conditions imposed thereon.
- 6/4/90 MacInnes, Stephen G. and Catherine C. - 78 Island Rd., granted area variance and special permit for a "family apartment."
- 6/4/90 Wright, Thomas G. - 943 Main St., granted 4 variances with 4 conditions imposed thereon.
- 6/25/90 Holden, Wheaton A. - Lot 3 Causeway St., granted special permit with 5 conditions imposed thereon.
- 6/29/90 Nordwell Associates, Inc. - 83 Union Street, granted special permit with 5 conditions imposed thereon.
- 8/6/90 Kubacki, Helen R. - 22 Middlesex St., granted renewal of annual special permit.
- 9/17/90 Sweeney, George O., and Olin, Heather A. - 246 Plain St., granted front yard set back variance.

- 9/17/90 Paine, Stephen D., Tr. - Forest Rd. (assessors' map 36, parcel 101), granted 2 variances.
- 10/3/90 Bernabei, Craig W. - 151 Pleasant St., granted area variance with 2 conditions imposed thereon.
- 10/9/90 Ramsey, Gordon P. and Linda L. - 140 Causeway St., denied special permit.
- 10/9/90 Warren, Roselle T. - 435 Exchange St., granted area variance with 3 conditions imposed thereon.
- 11/5/90 Elwell, Patricia A. - 222 Curve St., granted special permit (home occupation).
- 11/5/90 Furry, Mary Susan - 194 Ridge St., granted special permit with 4 conditions imposed thereon.
- 11/26/90 Fin Fur and Feather Club - 100 Larch St., granted special permit with 2 conditions imposed thereon.

Robert W. Russo, Member

REPORT OF THE BUILDING DEPARTMENT

Receipts from January 1, 1990 through December 31, 1990 were:

Building permits	\$35,099
Electrical permits	7,110
Plumbing permits	4,303
Gas permits	2,525

Total	\$49,037

BUILDING - 181 building permits were issued for all construction categories during 1990. Total estimate of construction was \$2,978,686. as follows:

	Permits issued	Estimated Cost
Single family dwellings	15	\$ 1,322,000
Additions	18	340,750
Alterations	41	279,450
Fire Damage Repair	6	325,200
Barns, garages, decks	35	147,451
Sheds, accessory buildings	2	2,800
Swimming pools	8	20,700
Wood Stoves	13	8,300
Commercial	22	525,000
Signs	14	6,035
Municipal	1	1,000
Temporary Trailer	2	-
Temporary Function Tent	3	-
Demolition	1	-

PLUMBING/GAS - 106 plumbing and 68 gas permits were issued in 1990.

WIRING - Worthy Selectmen, Ford, Priest and Hardin.
 Modus operandi, begging your pardon,
 My choice parody. The tune you all know
 For nineteen ninety, me thinks a propos.

School days, school days
 Busy Clyde F. Brown days.
 Inspections, corrections, quite a few
 Numbering over one fifty two.
 So little girls in calico
 And little boys, could safely go
 Making memories, they'll come to know
 When "THEY" were a couple of kids.

You have heard the preamble, pray be it your pleasure
 To list' as I unscramble, our deeds in full measure.
 The above school's included, for the calls we have done,
 The count so concluded, one thousand ninety one.
 Totaled hours of toil, nine hundred and three
 According to Hoyle, the code and decree.
 Twenty one fifty four, were odometer miles
 Yes, they're still unpaid for, despite hints and wiles.

Four hundred and sixteen, units were issued by Sue
 Total sums can be seen as permit revenue,
 Arranged on account, should one so wish to see,
 The stats and amount categorically.

Additions, alterations and renovations	141
Services (all stages)	74
Commercial	74
Garages	18
Municipal	17
Pools, spas, etc.	15
Re-inspections	15
Fire associated	15
Homeowner	14
New dwellings	10
Annual	7
Miscellaneous	16

Join me now to, "RAP" up the show
 As I give thanks, where thanks should go.
 The ladies first, so I was taught.
 No sexist battle, here to be fought.
 Jackie, Janet, Roma and Sue
 Barbara, Ellie and Debbie too
 Caroline and, avoiding prose
 Must remember, our good friend Rose.
 The men folk too, should include them.
 Bill, John, Tom and Henry M.
 Able assistant, David J. Byrne
 Applauded, he, sure earns 'his turn.
 In closing - a sentimental note
 I love you Quine, that's all he wrote.

Tauno O. Aalto

It should be noted that building permits are required for all construction.
 Any electrical, plumbing or gas work require additional permits. Failure
 to obtain permits before commencing work may result in double fees

Our appreciation and thanks to all personnel in the Town Office and Niagara
 Hall who have provided able assistance during the past year

Respectfully submitted,

William F. Whelan, Building Inspector
 Tauno Aalto, Wiring Inspector
 Thomas Frasca, Plumbing/Gas Inspector

John Larkin, Deputy
 David Byrne, Deputy
 Henry McCarthy, Deputy

ADDENDUM

A prayer, if I may, that a year from this day
 The good Lord a'willing, my report I'll be filling
 Gone, warring and fighting, in peace I'll be writing.
 Let's mutually then, bid an ardent - AMEN. T.O.A.

REPORT OF THE ANIMAL INSPECTOR

Animal Census as of December 31, 1990

Horses	86
Ponies	26
Sheep	188

-Poodle	1
-Rotweiler	3
-Shepherd	2
-Shepherd Mix	2
-Lab Mix	1
-Mastiff Mix	1
-Dachshund	1

Respectfully submitted,
Meredyth Kilgore

REPORT OF THE MILLIS BUSINESS ADVISORY COUNCIL

"Make it easier and more profitable for Millis business owners!" and "Beautify 109!" -- that was the battle cry of the newly reorganized MBAC.

MBAC members began the attack with a mixer at Rossi's -- a chance for owners to meet various Town board members. Discussions were held on how best to handle the overwhelming task of improving the looks of 109. It was felt this should be a community-wide project, not just the 109 property owners'. Thanks to the Oak Tree League, the first (of many, we hope!) Bradford Pear tree was planted in front of the Police/Fire station on Memorial Day 1990.

When the Millis Lions get involved in something, things get done, and when Don Reynolds sets his mind to it, you know you'll see results! This was the case at Pride Day when Don showed up with his forces, tree, mum plants, mulch and railroad ties to erect a "demonstration model" site of what we'd like to see all along 109. After Pride Day, the Lions re-erected the site in front of the Library in honor of Warren Jordan.

Classic Properties Realtors donated a doll house and sold raffle tickets at Pride Day to raise money for 109. The doll house was won by Doug Priest (do you believe it?).

These are examples of what we hope others in Town will do. Thank you, Millis Lions, Oak Tree League and Classic Properties!

The "Where's Millis?" Treasure Hunt and Dance at Glen Ellen were supposed to raise additional funds to build more sites. What sounded like a good idea, at least to someone, turned out to be a big bust. What a pity, no

money for the kitty! (But sometimes you don't know until you try.) A separate account was set up to handle the anticipated "influx" of donations from people who want a tree (or bush) planted in memory of a loved one. It's not too late to donate a tree! The account still exists and is ready to accept your donation. Make it to "Beautify 109" and send to the Town Hall.

Meanwhile, the MBAC could use some extra bodies. Call your local selectman and say you want to help. New blood is needed to get new trees for the Town. More help is needed to make business more profitable!

Respectfully submitted,
Audrey Milley

REPORT OF THE CAPITAL IMPROVEMENT PLANNING COMMITTEE

The Town of Millis Capital Improvement Planning Committee will submit no report for FY'91. The Committee was unable to obtain sufficient new information from the other Town Boards and Committees to substantially change the recommendations made last year.

The lack of new five-year capital planning information at this time is understandable. The Town has a new Superintendent of Schools, a new Town Administrator and the Department of Public Works now reports to the Town Administrator. These changes were made in part to develop new agendas for the Town, agendas which have not been completely formed at this time. The outlook for a more responsive and efficient Town government is very encouraging from these changes.

Equally important, there appears to be little downside risk from the lack of a new capital improvements plan for FY'92. The Town will still have capacity for debt even beyond the approved, and exempted, Farm Street sewer project while qualifying for "A" bond ratings (and interest rates). The main Town asset at risk seems to be the books in the library deteriorating due to a lack of air conditioning. An observation from the the CIPC work this year is updating the Town's capital plan less frequently than annually should be considered in light of past capital spending and current fiscal constraints.

The members of the Capital Improvement Planning Committee are available to any Town officials for consultation as plans for the future are developed. The need for an update to the Town's five-year capital improvements for FY'92 will be evaluated again next year.

REPORT OF THE MILLIS CABLE COMMISSION

It has been over a decade since the Millis Cable Advisory Commission was formed. The first meeting was held on November 11, 1980, and two of the original founding members are still on the board, Frank Gubala, secretary of the CAC, and me. Our original goals have not changed very much over the years, but looking back, many significant accomplishments have been realized.

The Television Studio still remains in the trailer behind the High School, and continues to be the base for educational instruction from the students and staff in Millis High School. During the fall of 1990, some repairs were made to keep the facility safe, since deterioration of the trailer was getting more detrimental. Thanks to the Millis School Department, we were able to correct the infestation of skunks under the flooring, provide a new apron of vinyl plastic around the base with appropriate insulation, and install a visual internal safety apparatus in the event of smoke or fire. This action was taken after advisement on the part of the Millis CAC.

The President and General Manager of Heritage Cablevision, Douglas Truckenmiller, attended a meeting of the CAC and promised continued support and cooperation with the Millis system. As Chairman, I was pleased with his honesty and concern for the service and overall operation of the Millis portion of the Heritage system.

The subscriber base grew by over 5%; since the 12/31/89 base was 1545, and at the close of 1990, the Millis subscriber level reached 1630. The growth of the system can also be attributed to the many programs of local interest that originate from the Millis High School Television Production courses. Approximately 30 students at the High School are involved in the course under the tutelage of Frank Gubala, and this year two daily periods are offered as electives at this level. The TV Production group has operated on a supplies and equipment budget developed from its many fund raisers, including the popular Ozark Shopping Show produced by Woody McFetridge and Laurie Landers, who are students of MHS. Much credit is due to the students who have contributed to so much programming, and dedication to our local cable 10.

Repair and complaint reports have been handled quite expeditiously, and follow through has improved greatly over the years. Several formal meetings were held by the CAC, and the Committee is comprised of Julius Rosen, Ken Jones, Francis Murphy, Ken Drew and Frank Gubala. I am proud of the commitment that the CAC provides on a volunteer basis to our franchise.

It was hoped that the trailer equipment could have made its move into the High School Drafting Room as was planned by the Millis School Committee, but due to the limited funds voted at the May Town Meeting, the \$1500 amount was insufficient, and the project was aborted. The need exists, and the Superintendent of Schools, Mr. Dan Kehoe, has promised his efforts in the resolution of this matter as one of his goals. The CAC, the Millis School Committee, and others are well aware of the situation, and we hope to resolve this concern in the future.

We continue to move in the best interests of the community, and welcome the general public when meetings are held. I personally would like to thank all of our volunteers, and look forward to a new decade of progress in this aspect of our community.

Respectfully submitted,
Julius Rosen, Chairman

REPORT OF THE CIVIL DEFENSE DIRECTORS

We herewith submit our report as Civil Defense Co-Directors for the year 1990.

All requests of the state and sector directors have been fulfilled, and all reports requested have been completed. Our radio officer has taken part in all radio alerts and drills. Trips have been made to Civil Defense Area Headquarters in the interest of the Town.

The Civil Defense members have continued to remodel the headquarters in the basement of the Memorial School on Main Street. Many thanks to the people in the town who have made donations to this project. The civil defense headquarters will be an asset to the town of Millis in times of an emergency. Several meetings of the Emergency Planning Committee were held at the Civil Defense headquarters throughout the year.

We were able to purchase a new 2 meter base station radio with the Federal Government paying one half the cost. A high quality wind speed and direction instrument was purchased and installed this year. This will provide the needed wind information in the event of a hazardous material spill or major weather event. We have supplied radio communication between the Town Hall and the High School on election days.

We are very appreciative of the town providing the necessary heat, water and electricity for our headquarters since the rest of Memorial School has been secured while its future use is being considered. We continue to work in the best interest of the Town of Millis.

Respectfully submitted,

Herman Downing
Wayne Simpson
Co-Directors

REPORT OF THE MILLIS CONSERVATION COMMISSION

The Millis Conservation Commission enforces the Wetlands Protection Act regulations for the Commonwealth of Massachusetts and the Town of Millis. The Commission holds public hearings and informal meetings on the third Monday of every month with residents of Millis who propose to do any work within 100 feet of a wetlands area. This work would include filling, dredging, landscaping, or any alteration of wetlands.

During 1990 the Commission held seven public hearings in addition to its regular monthly meetings. Each hearing considered the possible impacts that a proposed project might have on Millis wetlands. As a result of those hearings, six Orders of Conditions, one Determination of Applicability and two Certificates of Compliance were issued regulating proposed work in compliance with the Wetlands Protection Act.

The Commission has begun to draft local wetlands by-laws which will give the town more direct control over wetlands protection. We hope to have these by-laws ready for the 1992 Town Meeting Warrant.

The Commission acknowledges the cooperation and assistance of other Town boards and committees on matters affecting Millis wetlands. It also appreciates the assistance of our secretary, Kathi O'Callaghan.

Respectfully submitted,

Charles V. Vecchi
Chairman

REPORT OF THE DOG OFFICER

As Dog Officer, I hereby submit my report for the year ending December 31, 1990.

Calls	893
Complaints	523
Dogs Picked Up	167
Dogs Claimed	73
Injured Animals to Veterinarian	21
Animals Killed On Highway	153

I wish to thank dog owners abiding by the law and also the Police Department for their fine cooperation.

Respectfully submitted,
James Cassidy

ENERGY CONSERVATION COMMITTEE REPORT

Two meetings were held by the Energy Conservation Committee last year. We reviewed the window project at the Town Hall.

Energy conservation devices installed with the new Clyde Brown School were noted. Once the bugs are ironed out in the new building, these methods will help to greatly reduce energy consumption at that large plant. We are very fortunate to have them.

We are still looking forward to installing an air lock at the office entrance of the DPW building once all the pieces are in place.

Respectfully submitted,

David Byrne
Tauno Aalto
Francis Murphy

REPORT OF THE FIRE DEPARTMENT

Two new Motorola base station two-way radios, along with two new antennas, were put into service this year - one for the Police Department and one for the Fire Department - replacing radios that were 14 years old. The antennas were installed by members of the Fire Department to save the \$1500 installation fee.

Members of the Department took advantage of the classes given by the Massachusetts Firefighting Academy during the course of the year.

During the year, the Town received mutual aid from Medfield, Medway, Norfolk and Holliston.

There were 646 open burning permits issued in 1990.

In 1990 a total 84 homes was inspected and permits issued to comply with Chapter 148, Section 26F, Massachusetts General Laws.

The following permits were issued: Oil Burner, Blasting, Gun Powder Storage and Propane Storage.

In 1990 the Fire Department responded to calls as follows:

Motor Vehicle Accident	10	Brush Fire	11
House Duty	88	Company Practice	12
Miscellaneous Investigation	58	Squad Practice	37
Missing Person	1	Attempted Arson	2
Motor Vehicle Fire	10	Electrical Fire	9
Chimney Fire	1	Faulty Sprinkler	2
Oil Burner Fire	6	Kitchen Stove Fire	5
Washing Machine	1	Propane Gas Leak	2
Dumpster Fire	4	Building Fire	7
Mutual Aid - Norfolk	2	Outside Fire Alarm Box	33
Mutual Aid - Medway	2	Plane Crash	1
Mutual Aid - Sherborn	2	Illegal Burning	3
Lawn Mower	1		

I would like to thank the Board of Selectmen, the Police Department, Fire/Police Dispatchers and retired Superintendent Robert Leslie of the Department of Public Works for their help and cooperation this past year.

Respectfully submitted,
Chief Robert A. Volpicelli, Sr.

REPORT OF THE BOARD OF HEALTH

Submitted herewith is the annual report of the Board of Health for the year ending December 31, 1990.

The year, 1990, has been an active year for the Board of Health. We are continuing our investigation along with the Department of Environmental Protection to locate the responsible party in contaminating wells #1 and #2 with the hope that these wells can soon be put back on line without cost to the taxpayers.

With the help of many volunteers, the Board of Health was able to initiate a Health Fair on March 3, 1990. This event was so successful, we are planning to hold the 2nd Annual Millis Health Fair sometime in April of 1991.

With the current fiscal restraints the State is facing, it is the goal of the Board of Health to maintain the "safety net" in the areas of public health and protecting the environment and we welcome any concerned resident to contact the Board of Health office regarding these issues.

The following regulations have been adopted or revised this past year:

1. Subsurface Sewage Disposal System Regulations
2. Public and Environmental Health Review Regulations and Standards

In the coming year we hope to revise our well regulations which have not been updated for several years. We are also going to propose a Hazardous Waste Collection Day at the May town meeting.

The Board of Health reorganized on July 11, 1990, with Paul R. Jacobsen remaining as Chairman and Julio Fontecchio as Clerk replacing David F. Sobv who resigned from the board on June 15, 1990. Dave has relocated to Florida and we wish him great success. We are pleased to have Julio, a former member, back with us.

On June 27, 1990, Margaret I. Clark retired from the board after many years of service to the Town of Millis. It is not often that a public servant as dedicated as Marge comes along and we will surely miss her.

On July 24, 1990, Kathleen Byrne was welcomed to the board as a third member.

We would like to take this opportunity to thank our secretary, Shirley Rowley, for another outstanding year of hard work and dedication.

PERMITS AND LICENSES ISSUED BY BOARD OF HEALTH

Food service establishment	23
Retail	8
Non-profit organization, no charge	15
Catering	3
Mobile	3
Septage hauler	11
Garbage hauler	13
Swimming pool, public	1

Transfer of ownership	1
Percolation and deep holes	23
Hazardous materials	32
Massage therapist	2
Massage therapy establishment	1
Manufacture spring water	1
Sewer hookups	9
Environmental Health	2

HEALTH AGENT/ENVIRONMENTAL CONSULTANT

Mark Oram, R.S., C.H.O.

The role of Health Agent for the town was conducted by providing services to allow for compliance with federal, state and local regulations.

The Health Agent has assisted state agencies with investigations conducted for groundwater studies and air pollution. The Health Agent has also conducted several investigations that concerned air, water and land pollution. Other work consisted of reviewing applications and proposals for new development in which the applicant is required to follow the local environmental health impact regulations.

Routine work consisted of soil test observations and review of engineered plans for subdivisions, new development projects, subsurface sewage disposal systems and wells to assure compliance with state and local regulations. Other work included inspections of restaurants and investigation for housing deficiencies, food-borne illnesses, environmental concerns and sanitary complaints. Also, construction inspections were conducted for wells and subsurface sewage disposal systems. The Health Agent is also responsible for reviewing building applications to determine if the subsurface sewage disposal system is sufficient size and protected from any building proposal and the applications for abandonment of subsurface sewage disposal systems. The statistics for inspections and reviews in 1990 are as follows:

Inspections:	Subsurface sewage disposal systems	24
	Well pump test	2
	Soil test observations	143
	Housing enforcement	7
	Restaurants	59
	Swimming pool inspections	10
Reviews:	Building proposal applications	39
	Well laboratory results (new and existing)	16
	New food service establishments	7
	Subsurface sewage disposal plans	25
	New development projects	8

The Health Agent has attended the Board of Health meetings in which he provided information and professional expertise when requested by the board members.

Projects with the board members included the review of new regulations that address environmental impacts for new projects/developments, groundwater management and earth removal standards.

The Health Agent has attended various seminars concerning hazardous waste management, groundwater management, non-point source pollution and food service codes. He also has continued his educational requirements to maintain his state registrations as a Certified Health Officer and Sanitarian.

PUBLIC HEALTH NURSE

Debra Harding, R.N.

In addition to the regular services offered by the Board of Health, Millis residents had the opportunity to attend a Health Fair last March 3rd, 1990, sponsored by the Massachusetts Department of Public Health in association with the Millis Board of Health. The fair gave several hundred local people an opportunity to access their general health. Provided free of charge were cholesterol, blood sugar, cancer and blood pressure screenings as well as nutritional counseling, hearing, eye and chiropractic exams. Also included were educational booths, some set up by the American Red Cross, Cancer Society and Lung Association. The Millis Board of Health would once again like to thank all of the people who volunteered their time and services to ensure the success of the fair.

Board of Health Clinic Schedule:

First Friday of month/Kennedy Terrace from 1:00 p.m. to 2:00 p.m.
October and November/Flu Clinics (to be scheduled)

Public Health Nurse Office Hours:

Mondays and Fridays: 9:00 a.m. to 11:00 a.m.

The Board of Health provides the following vaccines and tests to Millis residents and workers:

Tuberculosis testing (PPD-Mantoux)	
Influenza	
Td and DPT	
MMR	
Oral polio	
Lead	
Total number of office visits:	168
Total number of home visits:	50
Blood pressure clinics (number of people screened)	159
Flu injections	335
School-age immunizations	8
Adult immunizations	2
T B tests administered	37

<u>Communicable diseases:</u>	Tuberculosis	1
	Malaria	1
	Pertussis	2
	Meningitis	1
	Viral hepatitis	1
	Campylobacter	3
	Giardia	1
	Salmonella	2

Respectfully submitted,

Paul R. Jacobsen, Chairman
 Julio Fontecchio, Clerk
 Kathleen Byrne, Member

REPORT OF THE MILLIS HISTORICAL COMMISSION

Most of our efforts have been on work at the Oak Grove Farmhouse. The cellar of the complete house has been cleared of all debris, as it was a hazard to walk through. Dumpsters were provided by Metropolitan Removal, Inc. of Millis, whom we wish to thank for their continued support. The back entrance of the cellar was all rotted and the roof of the entrance had broken in. The roof part was pulled down, as were the casings and door. A cement landing was put in at the foot of the new door casings. The entrance door and frame have been replaced. The sides of the cellar entryway have been reinforced with cement. New gutters and the roof over the doorway were rebuilt.

We also now have a full set of stairs and railings leading to the cellar. Some of you may remember there were only three stairs hanging in the dark, making that last step a long one!

The rotted front porch has been pulled off, and a new pressure-treated floor has been laid down. The porch was also leveled and braced. The two front doors have been scraped down, repainted and new glass installed.

Scraping and painting the outside of the house continues. We are presently working on windows and sills. We thank Mike and Kathy Wierzibicki for all the tender loving care they've given to the farmhouse.

The Commission participated in the Town's second Pride Day celebration.

The second holiday ornament series for 1990 arrived in time for Pride Day. This year the ball was green matte glass with the scene of Oak Grove Farmhouse etched in white. We thank the Grapevine Gift Shop on Route 109 in Millis and the Town Clerk's office personnel for helping us in the display and sale of our historical items.

Thanks also go to the Girl Scouts for helping us decorate the farmhouse with their Christmas wreaths.

Respectfully submitted,
Jacqueline Graci
Chairperson

Report of the Millis Housing Authority

The Millis Housing Authority again enjoyed a busy year with, at year end, all apartments filled and a waiting list for both the elderly/handicapped (667) units at King and Kennedy Terraces, and the low/mod income (705) apartments on Daniels Street.

The Commissioners were sad to bid their Chairman, Vincent J. Howley, good-bye after his ten years of service to public housing, when he chose not to run again at the Town elections in May. Vinny was instrumental in obtaining the ten units on Daniels Street for low/mod income families, and helped walk us through the maze of regulations and procedures that had to be followed. We will miss his steady hand!

The Rev. John Griswold was elected by the Commissioners at the Annual Meeting to serve as Chairman, and we welcomed Mr. Henry Lewandowski, who had been elected by the townspeople to fill Mr. Howley's seat, for a five-year term. Mr. Lewandowski is a former Millis Selectman and comes to us with a great deal of experience in the political field.

During the year there were ten vacancies at King and Kennedy Terraces, (none at Daniels Street), and all ten were filled by Millis residents. The Authority now manages 73 elderly units, 10 low/mod family units, and 13 rental assistance units, a total of 96 apartments. Because we serve lower income citizens, and the rents collected reflect a percentage of each resident's income, our costs again outstripped our income in 1990. We spent \$171,831, while we received \$145,859. This deficit, amounting to \$25,972 was totally absorbed by the state. Currently we are re-painting portions of King and Kennedy Terraces, and we installed new commercial carpeting in the Recreation building, and completed a new sewer tie-in for the laundry room drains.

We owe much to our Executive Director, Shirley MacInnes, and our Maintenance Supervisor, Robert Healy, for their upbeat and positive efforts to make our residents as happy and comfortable as possible. A 'tip of the hat' goes to irrepressible Francis 'Sliver' Murphy for his many kindnesses, and to the Millis Police and Fire Departments, the D.P.W., and all the other Millis boards who work cooperatively with us.

The Millis Housing Authority conducts its business with a monthly meeting - the first Wednesday night at 7:30, each month - in the Recreation Building, Kennedy Terrace, on Exchange Street. These are public meetings to which all interested citizens would be welcome.

Respectfully submitted,

The Rev. John A. Griswold
Chairman, and State Appointee

REPORT OF THE MILLIS HOUSING PARTNERSHIP

The Millis Housing Partnership was appointed by the Board of Selectmen in response to a State mandate designed to provide affordable housing in every city and town in the Commonwealth. The mandate requires that each community must strive toward a goal which will result in 10% of a community's housing being affordable.

The purpose of the Partnership is to gain affordable housing in Millis and at the same time to work with the builder to provide housing that is appropriate for the Town and neighborhood. Materials, style of construction and landscaping are issues we consider, as well as the density of specific proposals. The effect the proposal will have on abutters and local services are also issues that our committee negotiates with the builder.

The unique proposal known as Daniels Glenn will provide the opportunity for the purchasing of single family homes, complete with garages. Homeowners will have exclusive rights to use and maintain the area around each dwelling in a neighborhood atmosphere with a condominium type of ownership. Final local and state approvals are in process and construction is expected to begin in March of 1991.

Since last years annual town meeting, when voters overwhelmingly approved pursuing the mixed use of Memorial School, we have been seeking funding to help prepare documents to seek proposals. Unfortunately, the financial condition of the state government during this past year resulted in grants not being available. It is expected, however, that there will be some grant money available early in 1991 and it is our intent to actively pursue any available funds. We hope to be able to have a final proposal ready for town meeting action in May of 1991.

The Partnership is cognizant of our responsibility to help provide housing opportunities for people with limited incomes. We are also very aware of the need to be sure that such housing is suitable and compatible with long range goals of the Town of Millis.

Respectfully submitted,

MILLIS HOUSING PARTNERSHIP
Joanne Andrews, Chairman
Susan Lockett, Secretary
Margaret Clark
Thomas Hatch
John Hinkley
David R. Kelly
Daniel Magnarelli

REPORT OF THE BOARD OF LIBRARY TRUSTEES

In July, the Massachusetts Library Association published this "Open Letter to the Citizens of the Commonwealth from Massachusetts Libraries":

...Every community that hopes to sustain community life must guarantee that every community member will at least be: well-protected, well-represented, and well-prepared for the future. One is unthinkable without the others. They are linked because -we- are linked by lives spent for this simple guarantee of our ways of life...

Closing a library sends a clear message to our children about our own values, and what will become of theirs: "Our experiment has failed. All that we have made and done and thought is useless. You are on your own."

The community is bigger than you and me. If we haven't given up on sustaining it, if we haven't given up on preparing our kids to -make- their future, rather than just survive it, then we must do what is necessary to support it. We must say it is as unthinkable to close a library or a school as it is to send the police force home, or padlock the fire engines in the firehouse.

We must make ourselves the bridge that connects what has gone before us with what will come after us. We must say yes to each other, especially to our children.

We must say YES to our libraries, and to our future.

1990 has been a difficult year for the Commonwealth's public libraries, as the economy contracted toward recession, and funding was drastically reduced at state, regional, and local levels. Some libraries were zero-funded and actually closed their doors. Springfield and Worcester, both libraries headquarters of their respective Regional Library Systems-- budget reductions forced branch closings, lay-offs, and curtailment of hours and services. Nearer to home, we have read newspaper stories about Franklin, Needham, and other libraries which have lost State Aid support in the wake of severe budget cuts.

The Board, Director, and staff of the Millis Public Library have done their best to maintain the level and quality of library service, despite level-funding in the face of rising costs, and we are grateful to the Finance Committee and Town Meeting voters for their continued support.

It is the Board's conviction that the Public Library serves a unique, unreplaceable role in the community: as a center of free inquiry and self-directed education, as a resource for informed democratic citizenship, as a repository of history and culture, and as a treasure-house of spiritual refreshment and recreation.

Rather unexpectedly, 1990 turned out to be another year of transition for the Library. Martha Menne retired from the Board of Trustees in May. The Library and the Town owe her a considerable debt of gratitude for her many years of active and dedicated service. Donald Hernon replaces her on the Board, and we were glad to welcome him back. John Henderson resigned from the Board as a consequence of a move out of Millis, and was replaced by Elliot Gessman, who was appointed by the remaining Trustees and the Selectmen to serve until the next election. We welcome him also.

Having held a reception in January to honor Patricia Iseman on her retirement and welcome succeeding Library Director Douglas S. Cisney, the Board found itself, at the March meeting, accepting, with considerable regret, Doug Cisney's resignation, to pursue other opportunities in Florida. Although he only worked at the Library for eight months, Doug's warm personality and enthusiasm endeared him to staff, trustees, and patrons very quickly. He will continue to be missed also for his positive contributions to programs and development of the library. We heartily wish him well in his future endeavors.

Mitchell L. Perlow was appointed, and joined the Library in June, as our new Director. He brings to the staff long experience in public service and management, a brand-new Master's degree in Library Science, and fresh enthusiasm for and interest in his new profession. He has, with the Board's approval, made the improvement of reference service and the reference collection a priority, along with continuing the long-range planning process which was begun under Doug Cisney's leadership last year.

We hope that the townspeople will join with the Board in welcoming Mitchell and his wife Nancy (who is a librarian also, at the Newton Free Library) to Millis, and in supporting him and the staff in their efforts to provide the highest possible quality of library service to the Town of Millis. Details of these efforts during the past year are contained in the Library Director's report, appended.

I expect this to be my last Annual Report as Chairperson of the Board of Trustees. My second term expires in May and I do not plan to run for another term, at least this year. My most pleasant duty remains, to express my sincere appreciation and gratitude:

- to the townspeople, for using and supporting the library's collections, programs, and services,
- to the Public Works Department for their assistance in keeping the Library's sidewalks and parking lot clear during snow season,
- to the Police Department for their helpfulness during the occasional rash of "false" alarms at the library,

- to the other town departments, for their unfailing courtesy and cooperation,
- to the Library Director and staff, volunteers and Friends, and to my fellow trustees past and present, for their hard work, enthusiasm, and dedication to the principles of public library service and intellectual freedom.

Respectfully submitted,

Georgeanne T. Roe, Chairman
Board of Library Trustees

for the Board of Trustees:

Donald Hernon
Elliot Gessman

REPORT OF THE LIBRARY DIRECTOR

It is with a great deal of pleasure and pride that I report that our total circulation for 1990 was 56,178 items. This figure represents an increase of 22.3 % over the figures for 1989. Moreover, the increase was across the board; adult, children, fiction, non-fiction, and non-print materials.

This year the Library turned in \$3,165.52 to the Town Treasurer. This represents a slight increase over last year's figure. Wednesdays continue to be half-fine days. It is worth noting that the new Library laws regarding overdue materials that went into effect in September after being passed by the State Legislature, have had the desired effect of making individuals aware of the possible ramifications of failure to return overdue books.

During 1990, 2,376 books were added to the collection. This compares to the 1,751 volumes that were added to the collection in 1989. The price of both books and periodicals continues to escalate in a never ending upward spiral, but through coordinated purchasing of materials through the Northeastern Massachusetts Book Purchasing Cooperative, and the application of other fiscally sound procedures, we were able to successfully leverage every dollar that was spent on books.

In addition to the books we were able to add over 70 audio cassettes to the collection. These "Books on Tape" have become extremely popular as more and more commuters chose to "listen" to a good book rather than the radio as they sit in traffic. Many families also chose this diversion while driving to or from vacation destinations.

During the past year we were able to more than triple our video collection with the addition of 65 videos. In large part this was made possible through a matching grant from the Massachusetts Arts Lottery. The library now boasts a first class collection of videos on the environment as well as an excellent collection of educational, instructional and tapes of a more classical nature. Included in this collection is The Nutcracker with Baryshnikov, Julius Caesar starring Marlon Brando, and Laurence Olivier's Hamlet. For Young Adults we have purchased the entire "Wonderworks" series produced by PBS.

The Library, through the generosity of The Oak Tree League, continues to make available passes to the Museum of Science in Boston, while The Friends of the Library do the same for passes to the Museum of Fine Arts in Boston. Finally, the Millis Library continues to provide passes to The Garden in the Woods in Framingham. All of these passes are available to any resident of Millis.

The Millis Public Library continues to be blessed with many outstanding and dedicated volunteers. Marjorie Coldwell, Florence Gessman, Mimi Haley, Joan Hernon, Lucy and "Skip" Lockwood, and Pat Pantazi all have worked many hours behind-the-scenes and give the term "volunteer" new meaning. In addition, Donna Ciccariello, Libby Clancy, Fran Lorizio, and Karen Verch have been a great help to Mrs. DiCenzo in conducting the frequent story hours.

We wish to express our gratitude to Jack Warsof and Doris Warsofsky for their continued support of the Trusts which they have been gracious enough to endow.

To the Housley family and all their friends, and to Mrs. Mary E. Housley in particular, the Library is extremely grateful for the establishment of The Richard A. Housley Memorial Fund.

We are fortunate to have the support of a wonderful "Friends" organization that continues to serve the Library in many ways. If it were not for their efforts and sacrifices, the Library would be unable to offer the wide range of programs and resources it does. So our thanks to a group of selfless individuals who give of their time and of themselves.

To Ruth Winiker, Marion Spellman, Roberta Decker-Kigner, George Clancy, Shiva Singh Khalsa, and everyone else who was kind enough to contribute to the Library Gift Fund we wish to express our thanks for their continued support.

This past year has seen both continuity and change in our Library. The continuity has been provided by an exceptional and dedicated staff. Children's Librarian Shirley DiCenzo, Library Assistants Margaret Bergen, Marge Fitzgerald, Pat Olstead, Meg Smith, Renate Todd, and Elizabeth Smith, and Library Pages Geraldine Aviza, Theresa Jones, Kim Firmelewicz, and Kara Smith have all done their utmost to insure a smooth transition as the Library changed direction and Directors.

Through the prudent use of Trust Funds the Library has developed the core of a first rate reference collection.

New lines of communication have been opened between the Millis School Department and the Library through ongoing meetings with the new Superintendent of the Millis Schools and the Library Director.

Bi-monthly meetings are now taking place with the Library Directors of Medfield, Medway, South Natick, Franklin, Milford, Foxboro, Sherborn, Dover, Bellingham, Holliston, Norfolk, Ashland and Millis. These meetings allow us to share ideas and strategies to help us survive and prosper in a time of change and retrenchment.

Our Children's Program remains one of the centerpieces of the Library. Every Story Hour has been a "sell out" before it has begun. These programs took place three times last year and were geared to three year olds, four year olds and K-1 students. More than 150 children participated in the Summer Reading Program. The theme was "Mysteries" and the children read more than 1,480 books. For the third year the Library offered a program for teenagers called "The Summer Reading Experience." Local businesses donated merchandise and gift certificates in support of the program. Weekly drawings were held and a grand drawing was held at the end of the summer. Caricature artists, Origami experts and others have all entertained our younger patrons during the past twelve months. Staff and volunteers have all read stories to packed houses in the meeting room. The success of these programs can be shared by all those involved, but Shirley DiCenzo deserves the lion's share of the credit.

The Library Planning Committee that was formed last year is on the verge of completing "The Small Libraries Planning Process." The resulting plan will indicate the direction the Library will take in the coming years to meet the community's needs and in setting long range goals.

The computer donated to the Library by the Millis Lions Club is in constant use and has been a boon to all of us. We wish once more to thank the Lions for their generosity and for their public spirit.

Finally, I personally wish to thank the Staff, Trustees, and the Friends for their support during this time of transition, and to former Director Doug Cisney for his help in getting me "up to speed."

Mitchell L. Perlow Director

REPORT OF THE METROPOLITAN AREA PLANNING COUNCIL

Thanks to Millis and 100 other communities, the Metropolitan Area Planning Council could continue to provide communities with regional planning services throughout fiscal year 1990.

As part of Metroplan 2000 - our regional development plan - Millis was included in the following projects:

- a. mapping the sewer service area
- b. detailed analyses of sewer and water capacities
- c. solid waste management analyses and mapping
- d. analysis of local transportation priorities
- e. economic development and housing analyses
- f. open space and resource protection data analyses

Metroplan 2000 has been presented to the Millis Board of Selectmen.

Millis was also included in these MAPC demographics reports:

Employment and Income Forecasts

Population and Age Group Forecasts

Regional and Community Population and Employment Forecasts

Business and Residential Growth in Metropolitan Boston

MAPC also tracks recent and proposed commercial, industrial and residential development projects in Millis for research purposes.

The SouthWest Area Planning Council designed a housing work program to seek more funding or financing for affordable rental and/or ownership housing through the formation of a bank credit pool or a revolving loan fund.

As a member of the SouthWest Area Planning Council, Millis' representative participated in: interviews about transportation priorities; the compilation of a list of new commuter parking lots, including a map of potential sites; mapping sewer, transit and zoning areas for the 10-town area; and a housing forum for local bankers, realtors and local officials to discuss affordable housing opportunities.

MAPC appreciates Millis' continued support, and looks forward to further service in the years ahead.

Respectfully submitted,

Dominic E. D'Eramo
MAPC Representative

REPORT OF THE TOWN MODERATOR

In 1990 the Town conducted its annual town meeting in May and held a special town meeting in December. The May meeting established the budget for Fiscal 1991 and through the excellent work of the Finance Committee, was able to reach a budget which met all of the fundamental necessities of the various departments, but also kept the Town in good financial stead for the time being. The primary issue at the December meeting surrounded approval of engineering to undertake a sewer project in and around the Flintlock Acres Subdivision.

With the Town Administrator assuming responsibilities as of January 7, 1991, the work of the Personnel Committee will come to an end as the Town Administrator is taking over those responsibilities. I would like to take this time to thank each and every individual in the Town who has served on this Board. It is a difficult and often thankless job and requires a substantial amount of time. With the advent of various bargaining units, issues of pension, unemployment benefits and shrinking available funds, the Personnel Committee had many difficult issues to deal with.

We are always interested in people who are willing to serve on the Finance Committee and on the various ad hoc committees which are required to be appointed from time to time. With the Federal, State and local governments all in a fiscal crisis, quality volunteer work is central to the continued work of the governing of our community.

Anyone who is interested in or has a question about town meeting is invited to contact the Moderator in advance of the town meeting in order to understand the procedural aspects of presenting their point of view at the town meeting, and comments and suggestions are always welcome.

Again, I want to thank everybody who has served on the various Boards in behalf of the Town because it is their work which help us to maintain and improve our community and the town in which we live.

Respectfully submitted,

John G. Dugan
Town Moderator

REPORT OF THE NORFOLK COUNTY MOSQUITO CONTROL PROJECT

The Operational Project Program integrates all proven technologies into a system of mosquito control that is rational, safe, effective, and economically feasible.

All mosquito eggs need water to hatch to sustain larval growth.

Source Reduction Work: Our primary efforts are concentrated on the drainage of shallow, standing, stagnant water, and the maintenance of existing flow systems which contribute to mosquito breeding sources.

Drainage construction by wide-track backhoe	1,390 feet
---	------------

Larviciding: Treatment of mosquito larvae during aquatic development is the next most effective control effort.

Larvicide by backpack and mistblowers	176 acres
Catch basin larvicide applications	351 count

Adulticiding: The suppression of flying adult mosquitoes becomes necessary when they are numerous, annoying, or threatening to residents.

Adulticide with mistblowers	181 acres
Adulticide U.L.V. from trucks	14,272 acres

Surveys, inspections, and monitoring in support of our program include locating and mapping breeding areas, larval and adult collections, and field work evaluations leading to better drainage.

The Project received 96 calls from residents for information and assistance.

Respectfully submitted,

John J. Smith, Superintendent
Norfolk County Mosquito Control Project
Building #34 Endicott Street
Norwood, Massachusetts 02062
(617) 762-3681

REPORT OF THE OAK GROVE FARM COMMISSION

The efforts of several years, spanning past and present Commission members, are becoming realities this year.

A softball field has been donated by AMVETS Post 495 and D. P. & Sons. Construction has been completed to the point of seeding. A dedication stone has been erected and the field will be named "Veterans' Field." Our thanks to Post 495 and D. P. & Sons for their generous donation of such a valuable town asset. If anyone is interested in donating team benches or a backstop (money or materials), please contact a committee member.

The Pride Day Committee and the Oak Grove Farm Commission worked together for the second annual Pride Day. It was a successful event attended by several thousand people. Nearly every town organization was represented. The Pride Day Committee is hoping to erect permanent electrical power at Oak Grove Farm for future Pride Days and other town functions.

The Millis Playground Association has been working with the Oak Grove Farm Commission, and both have agreed to a site for the playground. The new playground should be operational in June 1991. An architect has designed the playground to blend into the surrounding landscape. The chosen site is the same site indicated in the original Oak Grove Farm master plan. This will be a wonderful addition to the Oak Grove Farm, thanks to the work of Millis Playground Association. Bravo!

Our thanks to the Millis Department of Public Works who have been filling in the dangerous open foundations and keeping the soccer field grass cut.

The Millis Soccer Club has been using the soccer fields and maintaining them, including fertilizing, with the help of the DPW.

The Historical Commission has been restoring the farmhouse with noticeable results. They also plan to landscape, plant and improve the grounds abutting the farmhouse as part of the restoration effort.

Ideas and monies are needed for addressing the problems concerning the remains of the Scout House at Oak Grove Farm.

A Spring Clean-Up Day will be held on April 6th. At that time clean-up will concentrate on the areas around the Scout House side and the Playground site. All town organizations are invited to join in.

As our report indicates, Oak Grove is a "grass roots" operation. There is no operating budget, but progress is made from the continuing efforts of the townspeople. Our goal is to improve the property while maintaining open space and recreation areas for generations to come through prudent administration of a valuable town asset.

Respectfully submitted,
Robert Braman, Chairman
Carol Goldstein
John Larkin
John Menne
Cliff Thatcher

REPORT OF THE PLANNING BOARD

The Planning Board had a very busy year, meeting almost weekly.

Nine amendments to the Zoning By-law were submitted at the 1990 Annual Town Meeting, which were voted and approved by the Attorney General.

A revised Official Zoning Map of the Town of Millis was drawn by Whitman & Howard, Inc.

Amendments were made to the Planning Board rules and regulations for special permits. An amendment was made to the Subdivision Rules and Regulations pertaining to fees.

The following Special Permits were granted under the Site Plan Review By-law:

The Welding Works, Inc., 272 Island Road for construction of a garage thirty feet by thirty feet.

Thomas G. Wright to enlarge the existing building located at 943 Main Street (Foreign Car Repairs).

Primavera Ristorante to construct an addition to their restaurant located at 20 Pleasant Street.

C. John Greco
Chairman

REPORT OF THE POLICE DEPARTMENT

The police and dispatch departments join with our citizens in entering the last decade of the twentieth century. Our staff this year consisted of twelve full-time officers, four full-time dispatchers, six permanent intermittent officers, eight part-time dispatchers, four school traffic officers and a part-time clerk. Some of the above also serve as lockup keepers or matrons. The full-time staff is considered, by your Chief, to be short three officers at the present time. Fourteen positions were voted at the 1987 Annual Town Meeting. One of these was cut in 1988 before being filled because of retirements and resignations. The second was deleted with the death of an officer in 1989. Now, we enter 1991 with ten officers. This includes one officer who has been out on a job-related injury since December of last year. We do expect a new officer next month. The addition will be a reinstatement, academy trained and ready for immediate service. Funding for the twelfth slot is not being supported for the forthcoming year. During this year 330 shifts were not filled because of funding not being appropriated. Thus, the afternoon shift, which should have three officers to be adequate, only had two most of the time.

Despite staffing difficulties, your department has acquired or otherwise received many positive changes in services and education. Sergeant William A. Carlson attended a Radar Instructors' School in January. He is now certified by the Massachusetts Criminal Justice Training Council to teach in this capacity. He is also certified to teach cardiopulmonary resuscitation, first aid and firearms. During the same month, he and Officer Peter J. Opanasets attended a course entitled "Bias Crime Reporting." This course prepares officers to identify and report crimes where prejudice is the significant cause, thus creating the opportunity for them to be properly prosecuted. The forty-hour mandatory in-service training was attended by each officer. These courses are taken at Southeastern Suburban Police Institute in Foxboro and are provided for three categories: patrol officers, detectives and sergeants. Lastly, a two-week "Sergeants' Basic Training Seminar" was completed by Sergeants William A. Carlson and William J. Dwyer.

Services extended during 1990 included both educational and practical programs. Detective David C. Egy and Officer John M. Alger and Domenic J. Tiberi conducted a program on the effect of drinking and driving in conjunction with the SADD (Students Against Drunk Driving) Program at the high school. A safety program for children in kindergarten through grade four was presented at both Clyde Brown and Memorial Schools. This program featured a robot who interacted with the youngsters and instructed on a variety of safety pointers. Your chief was fortunate to have the opportunity to assist the robot in this endeavor. This program was sponsored by several Millis businesses and included an activity book for each child in those grades.

On the practical side, Acorn Street was posted with speed limits. Under the direction of Sergeant Dwyer, speed zoning surveys were conducted for Dover Road, Orchard, Pleasant and Village Streets. Pleasant Street has been approved and is waiting for signs to be posted. The other streets mentioned are still waiting approval by the state. Time and funding will be the criteria for continuing with this project. This effort was greatly assisted by a generous donation by Attorney John G. Daly of this Town. The donation enabled us to purchase a hand-held radar, which is essential to

speed zoning surveys. Additional monies to complete the purchase came from funds already appropriated by the Town.

Another service project was done on Millis Pride Day. Officer Marsha P. Hunter donated her time to set up and preside over a police booth where handouts were distributed. The give-away items were provided by a joint effort of the budget and the Millis Police Association.

Town businesses contributed space, goods and money for Halloween activities. These were organized and chaperoned by the Lions' Club with assistance from the school superintendent for seniors' party. I extend my sincere appreciation to all who participated including the students. Once again, they have provided the opportunity to report a successful, safe and happy Halloween.

A significant step forward for the nineties comes from outside the department in the area of medical services. Paramedic services are now available through Leonard Morse, Milford and Norwood Hospitals. Helicopter transport is also available through the University of Massachusetts Medical Center in Worcester and Boston City Hospital. Each of these services has provided valuable assistance to our citizens. Our grateful thanks to them and our own ambulance crew.

Resignations received this year were from Officers Scott D. Vaughan and John M. Alger, who resigned on September 30th and October 27th, respectively. Both left to join municipal police departments in Florida. Additionally, Dispatcher Linda R. Myers resigned December 18th after a three-month leave of absence. All are wished well in their new endeavors. Replacements for one officer and the dispatcher are anticipated for early January.

In closing, I would like to thank all Town boards, departments and officials for their cooperation throughout the year. Thanks also to our own personnel, who performed well, many times during adverse, critical or threatening situations. Lastly, thank-you to the Millis citizens for their continued support and their kind words and letters of appreciation. These mean so much to those of us who serve you.

Respectfully submitted,
Albert J. Baima
Chief of Police

ARREST & PROTECTIVE CUSTODY REPORT FOR 1990

There were a total of 151 arrests and 74 Protective Custodies made by the Millis Police Department in 1990.

The following is a list of charges brought against the 151 people arrested by the The Millis Police Department in 1990.

Motor Vehicle Related Charges

O.U.I. - Alcohol	34	Viol. restraining order	1
Operating after Suspension	26	Larceny (over)	1
Operating w/ a revoked lic.	4	B & E daytime	1
Operating w/o a license	5	Arson	1
Failure to stop for a P.O.	7	Mal. Destruction prop.	2
Operating a MV while drink- ing.	3	Mal. destruction school prop.	1
Failure to stay within mark- ed lanes	13	Disorderly conduct	3
Failure to report change of address	2	Distrubing the peace	2
No license in possession	2	Fugitive from Justice	1
Fail submit MV inspection	2	Threats to murder	1
Attaching plates	2	Attempted robbery	2
Minor in poss. of alcohol	13	A&B on Police Officer	3
Minor trans. alcohol	3	Assault w/ dangerous weapon	2
Procurring alcohol	1	Poss. Class A	1
Operating unregistered MV	3	Poss. Class D	6
Operating uninsured MV	2	Poss. Class D w. intent to distribute	1
Stop Sign Violation	3		
No helmet on MC	1		
No eyewear on MC	1		
Endangering	3		
Improper passing	2		
Fail to use care at inter- section	1		
Oper. w/o headlights	1		
Refusal to submit to a P.O.	1		
False information to a P.O.	1		
Child not within safety seat	1		
Defective equipment	1		
Speeding	13		
Failure to keep right	6		
Warrant arrests	58		

*Note: these figures reflect only those people arrested by the Millis Police. They do not reflect citations or complaints taken in court.

REPORT OF THE BOARD OF PUBLIC WORKS

Based on 1989 Town Meeting action and a favorable May 1990 ballot vote, which abolished the elected Board of Public Works and assigned the management responsibility for the Department of Public Works to the Board of Selectmen, through a newly appointed Town Administrator, the nineteenth and final report of the Millis Board of Public Works is presented.

The Millis Board of Public Works reorganized in May of 1990 following the Spring elections. Mr. Russell Chamberlain was appointed Chairman, Mrs. Ellinor Harkins, Clerk and Mr. George DeAngelis, Third Member. The tenure of this Board was finalized on October 24th, 1990 with the last Board of Public Works' meeting.

Although the Board of Public Works has been served well, in the past, by female workers in both clerical and administrative positions, this is the first time a woman has been elected to the Board in its nineteen year history. Mrs. Ellinor Harkins' tireless efforts, graciousness and common sense approach to the problems of a small town were most welcomed and greatly appreciated. Mrs. Harkins has cited her short tenure as "instructive and for the most part a pleasant duty to work with the Board and the citizens of Millis". Mrs. Harkins offered every good wish for continued cooperation and good will between the Department of Public Works' employees and the citizens of Millis as we go forward into a new era of town government.

Mr. George DeAngelis, a lifelong Millis resident, has been a member of the Millis Board of Public Works since its formation in 1971. Prior to 1971 Mr. DeAngelis was a member of the original Board of Sewer Commissioners and served in that capacity for several years. Many town Boards, including the Board of Public Works, have relied on "George's" knowledge pursuant to Millis' history as it relates to the present day operation of the town. As the town enters a transition period, George continues to offer his assistance and cooperation, as needed. A large "THANK YOU", George, from all Millis' citizens.

Mr. Russell Chamberlain, the last Chairman of the Millis Board of Public Works, served in the capacity of Commissioner of Public Works since December 29th, 1987. With Mr. Chamberlain came engineering expertise which assisted the town relative to the successful completion of major wastewater and water rehabilitative projects.

Many thanks and appreciation to "Russ" and the many previous Board of Public Works' Commissioners, who served the town so aptly with their expertise i.e. Mr. Thomas Lydon (deceased); Mr. Jean Salvucci; Mr. Domenic E. D'Eramo; Mr. Erwin "Buzz" Gruhn; Mr. Edward Cronin; Mr. Robert Hagearty; Mr. Thomas Hatch and Mr. Robert Volpicelli, Jr.

The calendar year 1990 will long be remembered as a period of many changes within the Department of Public Works. Among these changes was the retirement of long time employee, Mr. Robert Leslie, from his position as Superintendent of the Millis Depart-

ment of Public Works. Mr. Leslie or "Bob" came to work with the Town of Millis in April 1967 as a Heavy Equipment Operator with the former Millis Highway Department. With the formation of the Department of Public Works in 1971, Bob came to work as a Heavy Equipment Operator with the Public Works Department. Over the years, Bob was promoted to the position of General Foreman and eventually Superintendent of Public Works in 1981. Bob served the citizens of Millis in this capacity until his retirement on August 31st, 1990.

Our best wishes are extended to Bob and his wife, Pat, for a healthy, happy and enjoyable retirement.

During 1990, the Department of Public Works carried out its usual duties maintaining the highways, water and sewer systems, parks, trees, cemetery, insect pest control and transfer station. The Department, also, provided support services to other town departments, boards, committees and civic groups, when requested.

In addition to the usual scope of work performed by town forces, approximately 1000 feet of roadway on Route 109, was improved by the application of hot top as a leveling course. This work was completed by town forces and assisted by contract equipment.

A successful joint project, with the Town of Holliston which consisted of drainage and road modification in the Walnut Street and Bullard Lane area was completed. The existing road material was recycled and the road properly regraded allowing a long term cost effective solution to be enacted pertinent to this drainage problem area rather than a "band-aid" approach which would have required additional modifications in the not too distant future.

The actual construction pertinent to the Reconstruction of the Intersection of Village and Pleasant Streets, which will involve extensive excavating, graveling, surfacing, some drainage, a traffic signal constructed at said intersection and wall and landscape work, commenced during the Summer of 1990 and will resume in the Spring of 1991. The prime contractor pursuant to this project will be Todesca Equipment Company and Todesca Equipment Co, Inc. of Readville, Ma. This project will be funded with state aid monies.

The Board of Public Works worked closely with other town Departments to maintain existing services and coordinate planning. Specifically, the Department forces continue to collect solid waste at the Millis Public Schools and utilizes the \$6,000 budgeted to hire local youths for summer jobs.

A special thanks and acknowledgement relative to the efforts and dedication put forth by the "Families for Fields" group, as they continue their project of rebuilding and refurbishing the playing fields at the Millis town park with no cost to the town. Also, a thank you to the citizen group that is planning the resurfacing of the town tennis courts. During this period of severe budget constraints, enough applause cannot be given to these civic minded individuals.

In closing, we the former members of the Millis Board of Public Works would like to take this opportunity to express our appreciation and gratitude to former Superintendent Robert Leslie; Assistant Superintendent, Janet Collins; General Foreman, Mr. Edward LaCroix, the clerical staff and the employees of the Department of Public Works for their continued support and dedication throughout our tenure.

We, also, extend our thanks to the Board of Selectmen, Town Accountant, Town Treasurer and other town boards, departments and committees and, especially, our families, whose cooperation and understanding enabled us to serve the community of Millis to the best of our ability.

Respectfully submitted,

Russell Chamberlain, Chairman
Ellinor Harkins, Clerk
George DeAngelis, Third Member

FORMER MEMBERS OF THE MILLIS
BOARD OF PUBLIC WORKS

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

In accordance with the laws of the Commonwealth, testing and sealing of weighing and measuring devices were conducted in the Town of Millis. The State's Division of Standards provided assistance and equipment for the testing of oil truck meters.

A total of 109 weighing and measuring devices were tested for accuracy, condition and safety. Those devices that met the prescribed standards were sealed; some were adjusted and sealed; and some were condemned.

Fees collected were deposited with the Town Treasurer.

Respectfully submitted,
Carol A. MacDonald

REPORT OF THE RECREATION DEPARTMENT

Utilizing leisure time in a constructive and healthy way is a major concern to most Millis residents. In an effort to satisfy that need, the Millis Recreation Department offered exciting programs to enhance the lives of all participants from toddlers through seniors. As a result of our efforts, we were able to turn a profit back to the Town's general fund at the end of the fiscal year.

Positive results were achieved thanks to the cooperation of the Board of Selectmen, Schools, Town Hall and Niagara Hall staffs, Police and Fire Departments, Board of Public Works, Oak Grove Farm Commission, The Millis Public Library, The Amvets, The American Legion, Glen Ellen Country Club and local business establishments.

Your Recreation Department could not prosper without our many volunteers who give so generously of their time and expertise. A thank-you is due each and every one of them. Our Fourth Annual Toy Drive was another huge and successful venture which gave so much of ourselves and our hearts to those less fortunate who benefitted by receiving that special touch from Millis.

To round out each of our seasons we took trips to ski at Okemo Mountain, Wachusett Mountain and Blue Hills. We saw "Sesame Street Live", The Medieval Manor, The Brimfield Fair, Tanglewood, Great Woods, Water Country, Radio City Music Hall, we went on a Canoe Trip down the Charles and roller-skated after school. We had a cookie exchange, Mother of the Year Contest, Father's Day Fishing Derby, Easter Egg Hunt, made puppets in a workshop and enjoyed a Summer Band Concert.

A sampling of programs offered in 1990 are as follows:

Winter

Preschool:

Toddlers Under Two
Terrific Two's
Movement Exploration

Youth:

Ski Lessons
Karate
Cherub Cheerleading
Apple Logo (Computer)
Juggling for the Complete Klutz
Ceramics

Basketball

Adults:

Cross Country Skiing
Horseback Riding Lessons
Chair Caning
Wake-Up Workout!
Painting Class
Sign Language
Volleyball
Victorian Baskets
Paper Ribbon Dolls
Ukrainian Easter Egg Decorating

Bowling
Dribble and Drabble
Music & Creative Movement

Indoor Swim
Bowling
Cooking for Kids
Guitar Lessons
Horseback Riding Lessons
Habla Usted Espanol
Romp and Stomp

Ceramics
Tap Dancing
Low Impact Exercise Class
Caricatures
Workout!
CPR
Quilt Stencil Sweatshirts
Rag Baskets
Cooking Classes

Spring

Preschool:

Toddlers Under Two
Music and Creative Movement
Dribble and Drabble

Youth:

Apple Logo (Computer)
Ceramics
Babysitting Course
Romp and Stomp
Soccer

Adults:

Tap Dancing
Workout!
Wake-Up Workout
Ceramics
CPR
Golf Instruction
Champagne Brunch
Summer Foods Class
Muslin Wall Hangings
Padded Photo Album Class
Rag Rugs
Appliques and Painted T-Shirt Class

Movement Exploration
Pre-school Soccer

Guitar Lessons
Kooking for Kids
Horseback Riding Lessons
Danceaerobics

Sign Language
Volleyball
Wall Quilt Class
Folk Art Painting
Horseback Riding Lessons
Low Impact Exercise
Graduation Party Cooking Class
Victorian Eucalyptus Spray Class
Band Boxes
Heart-Shaped Wreath Class
Cathedral Quilts

Summer

Preschool:

Summer Fun

Youth:

Fun in the Sun
Kita Making
Horseback Riding Lessons
Juggling in the Park
Track and Field Club
Soccer Camp
Tennis Lessons

Adults:

Workout!
Horseback Riding Lessons
South End Pond Beautification Day

Craft Workshops

Sports for Boys
Imagine This
Spanish Lessons
Drawing/Cartooning
Swim Lessons
Bowl N' Burger

Tennis
Wake-up Workout

Fall

Preschool:

Moms and Munchkins
Creative Fun

Youth:

REPORT of the CHAIRMAN, MILLIS SCHOOL COMMITTEE

1990 brought significant change to the Millis Public Schools. Superintendent of Schools, Mr. Vahan Khachadoorian retired effective June 30th and Mr. Daniel Kehoe, a former curriculum and building administrator in Marshfield, Massachusetts, was hired to assume the superintendency beginning on July 1.

The other major change was the opening of the new, improved Clyde F. Brown School and the closing of the Memorial School. Grades K-3 started the 1990-91 school year in the two new wings while Grades 4 and 5 began in the Memorial school. On the Monday after Thanksgiving, those grades moved to the renovated section of the original Clyde Brown school. The new facility is an outstanding one that will meet the needs of the children well into the next century. There are some corrections that are being completed but The School Building Committee has continue to aggressively ensure total completion as soon as possible.

At Town Meeting, the Finance Committee and the entire community, unanimously, supported a 5% increase in our budget which enabled us to slightly broaden our curriculum to include some foreign language at the middle school and a limited gifted and talented program at the elementary level. The School Committee wishes to thank every Millis resident for his/her support. After receiving only modest increases of 1% and 0% the previous two years, it was extremely important to receive more financial support in order to maintain the quality of our schools.

The Regionalization Study Committee (RSC) was unsuccessful in its efforts to convince Medway to continue to study regionalizing the two systems despite overwhelming positive evidence presented by educational consultant William Vellante, former superintendent of schools in both towns. Mr. Vellante provided an in-depth analysis of every aspect of regionalization and concluded that students in both communities would benefit by regionalizing and that there would not be any increased cost. His presentation was further supported by the seven sub-committee reports from both towns. Despite all the positive supporting evidence, the members of the Medway Regionalization Study committee inexplicably rejected the continuance of the study. The Millis RSC continued to pursue regionalization with other communities in 1990 but found little interest. The RSC is still actively pursuing other possibilities.

Mr. Kehoe's first one-half year as Superintendent has had a positive effect in all areas but especially in communications with all town boards (particularly the Finance Committee). There also appears to be a much more

positive school climate with all personnel, students and parents.

My major concern lies in the state of the economy: local, state and federal. As long as primary funding is derived from local property taxes with decreased state and federal aid, the future is bleak. The strain on our budget is enormous. We must seek alternative funding sources and continue to pursue the concept of regionalization (which we are doing). If we could divert some federal funds designated for foreign aid to local aid, we may be able to avert the educational funding crisis that lies ahead for all of our country's students.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

It is an honor to present my first report to the citizens of Millis in my role as your Superintendent of Schools. This report is the ninety ninth in a series of reports that was initiated in 1892.

To begin, let me share some highlights of the year that occurred before I started in Millis on July 2, 1991.

Mary Jane Simpson, Grade one teacher at Clyde Brown School, has served as President of the Massachusetts Reading Association. This very highly regarded organization serves as a leader in presenting programs and ideas for teachers statewide in the areas of reading curricula and staff development.

In January a team from Clyde Brown School was selected to participate in "Expanding Mainstreaming Opportunities Project" sponsored by the Massachusetts Department of Education. The focus of this project has been to develop greater awareness on the part of local school personnel in providing materials and methods in regular education classrooms so that children with special needs can participate more fully in regular classrooms.

Also in January, the School Committee appointed the following to the Superintendent Search Committee: Sally Lempa, Elementary Home School Association; Karen McDonough, Middle School Home/School Association; Linda Nelsen, High School Home/School Association; William Lynch, Elementary Teacher; Elizabeth Works, Middle School Teacher; Alice O'Regan, High School Teacher; William McIvor, Middle School Principal; William Casey, Finance Committee; Linda Hanson and John Maloney, at-large representatives.

Although I did not start officially until July 2nd, I was honored to be invited to participate in the Annual Memorial Day Parade and Exercises held May 28th. By marching in the parade, speaking at the exercises and meeting citizens at the American Legion home afterwards, I was provided a wonderful opportunity and experience to get to know a part of Millis that I would otherwise have taken a long time to know. I thank the American Legion, the Memorial Day Committee and, particularly, Gardner Rice for the warm welcome and thanks that I received.

One of my first acts as Superintendent was to develop with full School Committee support the proposal and application that resulted in the Millis School Administrative Team being chosen to represent central Massachusetts in the Commonwealth Leadership Academy's year long program on "School Restructuring". The following have participated with me in this program: Paul Brunelle, High School Principal; William McIvor, Middle School Principal; Thomas Deffley, Elementary School Principal and Suzanne Genest, Director of Pupil Personnel Services/Special Education. As a team we have initiated the process to review how each member can be more knowledgeable of the entire K-12 Program and how we can each be more supportive to the students, staff and community.

In the Spring the School Committee concluded the Superintendent search process by electing me to the position. My wife and I were provided a warm welcome to Millis at a reception held in June.

Also in the Spring the School Regionalization Study Committee concluded its efforts in the joint Millis-Medway Study Committee when the three Medway members voted to discontinue the study. The three Millis members voted 3-0 to continue. The resulting deadlock ended further regionalization with Medway discussion. An extensive study, "An Analysis of the Effects of Regionalization of the Medway/Millis Public School Systems" written by former Millis Superintendent and Interim Medway Superintendent, William A. Vellante, is the remaining major

contribution to the overall effort. Its detailed contents can well serve as a base for further study if joint interest is rekindled.

In June, Virginia Gilpatrick, Middle School Guidance Counselor retired after many years of devoted service to the students of Millis. She was presented a retirement plaque by School Committee Chairman, Walter Alessi, as a symbol of thanks and appreciation from all Millis citizens.

Also in May the community joined with the staff, parents and students of Memorial School to celebrate the positive memories that help fill the thoughts of many of our citizens, young and old. These events were part of the planning that lead to the opening of the expanded facilities at the Clyde Brown School. In September grades K * 3 began their classes in the two new wings (K*1 in "B" and Grades 2 and 3 in "C".) All townspeople are indeed indebted to the Clyde Brown School Building Committee composed of Robert Healy, Chairman; Edna Neville; Dominic D'Eramo; Ed Cronin; Robert Volpicelli; Paul Miller and Vahan Khachadoorian for the many, many hours of dedication in working on this project. Indeed, the elementary student of the future will be attending a spacious, cheery environment in this expanded facility. The elementary administrative team of Principal Thomas Deffley and Assistant Principal Jane Walker has also contributed time and devotion to this effort.

During the next year the School Committee will be reviewing its needs and options concerning Memorial School before taking official action on what to do about its future.

At the Middle School, Principal William McIvor has led the faculty, students and parents in further developing the effective team approach essential in the growing and learning process of middle school aged youth. Teams at each grade level in cooperation with the teachers of unified arts are working diligently to make sure these essential years are used to facilitate the learning and development of each child.

At Millis High School, Principal Paul Brunelle has been working to be sure that the goals and expectations of the New England Association of Schools and Colleges accreditation process are carried forward. This work is done in collaboration with the faculty.

At all three schools a positive learning climate is very evident. As a newcomer to the community I have been very pleased at the friendly, positive, caring attitude that I have observed at each level. The overall supportive spirit is evidenced too in the area of student activities and athletics. Parental, student and community support are highly visible.

Suzanne Genest, Director of Pupil Personnel Services/Special Education continues to lead the Special Services provided K-12. This year she requested, and the School Committee approved her request to reduce her work assignment to one-half time. Jane Walker has been more involved in the day-to-day K-12 activities and services for students. As an ongoing challenge, each has been working carefully to ensure cost effectiveness while providing our special needs children quality education.

During the Fall the School Committee adopted a draft of the Mission, Goals and Methodology for the Millis Schools for the 1990's. During the Spring of 1991 the entire community will be invited to participate in providing input to both the process and product of this long term vision and goal commitment. The FY92 Budget Hearing process will be coordinated with the draft statements. With little hope evident for an increase in federal and state support as a backdrop for starting the 90's, the importance of open and ongoing communication with all

citizens to develop shared needs and values becomes more evident. We encourage all Millis students to learn more about their schools.

The groundwork for this type of communication has been provided by the School Committee: Walter Alessi, Chairman; Sheryl Lajoie, Secretary; Nancy Davidson; Paul Miller and Russell Whittaker. Town officials and employees, Jackie Anderson, Administrative Assistant; Caroline Price, Town Accountant; Richard Aulenbach, Town Treasurer; Roma Curran, Town Clerk; Sue Lockett, Janet Sisto, Barbara Bryant and Ellen Stokinger have been very supportive. Building Inspector, William Whelan; Wire Inspector Tauno Duke Aalto; Plumbing Inspector, Thomas Frasca and Fire Chief, Robert Volpicelli all provided constructive support when I first started working on the needs and condition of the Cable TV Trailer located at the High School. Police Chief, Albert Baima and his department have provided interest and support in school related matters.

Elinor Hawkins from the Council on Aging and the Millis Public Library Director, Mitchell Perlow have also been interested and supportive in welcoming me to Millis. The efforts of Finance Committee liaisons, William Casey and Janice Skenderian, have provided the opportunity for increased communication and understanding between the School Committee and administration with the entire Finance Committee.

Other community support has been evident in 1990 and holds promise for the Nineties. Roche Brothers Supermarket provided the funds for the successful Millis High Academic Decathlon Team led by teachers Barbara Cangl and Beverly Bush.

M.E.P.I.T., the non-profit educational foundation has made the first steps to become a vital supporter and contributor to the Millis schools.

All the above mentioned people and groups are vital to the future success of our students. In cooperation with the Home/School Associations, Boosters Club and very active volunteers, we have the basis for successful approaches and realizing our Mission and Goals.

Open communication with all citizens will be a major goal in the 90's. Through the efforts of "Mohawk Messages," the publication centered on and written by school personnel and students; Millis Cable TV supported enthusiastically by the Cable TV Commission and TV Production classes at Millis High School, newsletters and information updates from each school and open communications between neighbors we can work together to establish the best education possible which Millis can and will support.

As your new superintendent I welcome the questions and involvement you have for your schools and children. I shall strive to provide the leadership to minimize costs through regional cooperation and collaboration in purchasing and sharing ideas and opportunities.

Millis has much to be both proud of and thankful for in the achievement and attitudes of its youth. Working together we can succeed in making sure that this will always be true.

In closing, I want to thank the excellent Central Office staff- Pette Aschman, my secretary, Marilyn Cote, bookkeeper and Dianne Wilson, assistant bookkeeper, for their patience, understanding and support as I end my first six months in Millis. David Byrne, Director of Buildings and Grounds and the entire custodial department have carried out their responsibilities with a very high level of dedication and team work. The same is true of Marjorie Feccia, Director of Food Services and her team of cooks and associates. The paraprofessional aides and bus drivers all provide positive and caring service to the children.

To all our employees - thank you. I look forward to working with you in 1991 and beyond.

REPORT OF THE HIGH SCHOOL PRINCIPAL

This is my sixteenth annual report to the Town of Millis.

The official Millis High School enrollment as of October 1, 1990, was 232, a decrease of 35 students from last year's enrollment. This figure represents the lowest figure that Millis High School will experience as projections show that starting with school year 1991-1992 the enrollment will begin to increase. This year Millis High School did not have an exchange student.

The graduating class of 1990 saw 82 students receive diplomas. The Valedictorian was Kathleen Marie Kerivan, and the Salutatorian was Marcin Makarewicz. Sixty-one percent of the class was accepted to four-year colleges, 21% to two-year colleges, 4% to trade and technical schools, 1% entered the military, 10% entered the work force, while the remaining 3% had indefinite plans.

The year 1990 was a memorable year for Millis High School. The International Club, after several months of planning and fundraising, realized their goal of a "Millis to Moscow Peace Trip". They were accompanied by their advisor Mr. Laurence Wagner and his wife as well as by social studies teacher Mr. William Dooling and his wife. Among those who took part are: Nicole Tremblay, Andrea Nunnaley, Annette Jones, Jerel Novick, Richard Fuller, Jake Fraser, Robert DiCenzo, Nicholas Bibbo, Silas Lindenstein, Alison Alessi, Stephanie Rowlings, and Stefanie Farrell.

Timothy Ritterbusch was selected to receive the 1991 Chancellor's Award for Academic Excellence from the University of Massachusetts-Amherst. This award, given on the basis of an exam, entitles Tim to a four-year scholarship to that university.

The Greater Milford Chamber of Commerce held its Second Honors Scholars Night at the Sheraton Milford Hotel to recognize students who have distinguished themselves academically. The nine students from Millis High School honored that evening were Kathleen Kerivan, Marcin Makarewicz, Matthew Goldstein, Christa Matukaitis, Karen Carlson, Matthew Maloney, Elizabeth Smith, Jennifer Sia and Vicki Fredrickson.

The National Honor Society held its annual induction ceremonies and received into its membership the following: Sean Coste, Michael Diatelevis, Dina Everett, Jacqueline Gillis, Abby Grant, Susan Jefferies, Scott Lajoie, Christine Nelsen, Timothy O'Toole, Timothy Ritterbusch, Amy Santos, and Jennifer-Jane Verch.

This was also the year that a waiver was sought from and granted by the Massachusetts Interscholastic Athletic Association (MIAA) to allow 7th and 8th grade students to participate on high school inter-scholastic athletic teams. This has allowed us to sponsor subvarsity teams in all sports.

Through donations the Student Council was able to purchase an acre of rain forest that will now be protected from being developed. They have also adopted a Foster Child.

While reviewing the past year in preparation for writing this report, I am pleased to report that we have been able to maintain quality in our programs despite the decreased enrollment. Fortunately this is the end of the decreased and we will now be gradually increasing our numbers each year. It is important that we maintain the programs we have in order to continue the quality placements we have been able to achieve over the years.

Respectfully submitted,

Paul A. Brunelle,
Principal

VIRGINIA GILPATRICK

Ginny started as an elementary teacher in Millis in 1967. She later became a Guidance Counselor at the High School and then a Guidance Counselor in the Middle School. We all wish her a happy, active retirement.

ANNUAL REPORT

MILLIS MIDDLE SCHOOL

This year has been a very successful one for Millis Middle School. We have based our model of learning around the team meeting. Our goal has been to provide our students and their parents with the best possible education we can. We are sensitive to the needs of early adolescence and strive to provide meaningful experiences that will enable each child to grow physically, emotionally and intellectually.

Each grade is centered around a group of teachers who this year have worked together to form an interdisciplinary team. Working together, each team has established their own identity and has provided academic excellence at all levels.

In the sixth grade this past year we travelled to Camp Bourndale on Cape Cod. This week-long program was an outstanding learning experience for our youngsters. Later on in the year our sixth grade celebrated Greek Day and also enjoyed a whale watch trip.

In grade seven our students became involved with the "Voyage of the Mimi", visited a whaling museum and took part in the "Great Boston Scavenger Hunt II".

Grade Eight, we travelled to our nation's capitol again. In addition, we visited Sturbridge Village and Georges Island. We took part in a drug and alcohol program at the Dedham County Jail and also started our project called COSMIC, an inservice project to our community.

Our student council provided various activities throughout the year such as dances, carnation sales, a talent show, Honor Breakfasts for Merit and Honor Roll students and our "dress-up-dance" for the eighth graders.

After school activities continued to provide programs that our students enjoyed; they involved bowling, basketball, McWhippett, flag football, tennis and other club programs such as the middle school dance troupe.

As the year drew to a close we wrote letters and sent gifts to our servicemen and women serving in Saudi, Arabia. Many students received letters in return. We are pleased that at Millis Middle we have students who are not afraid to reach out to family community and country in order to make this a better world.

Respectfully submitted,

WILLIAM P. MC IVOR
Principal

CLYDE F. BROWN SCHOOL

Annual Report 1990

The most notable piece of news in 1990 in-so-far as the elementary school was concerned was the completion of the new sections of the Clyde Brown School and the moving of the students from the Memorial School to the renovated part of the original building. The year 1990 saw the completion of one of the finest schools in the area. With a capacity for six hundred students the school has 30 classrooms, two resource rooms, an art room, music room, a gymnasium that can be divided to accomodate up to four physical education classes, a cafeteria for 200 students, kitchen, six instructional areas for speech, guidance and special education and a large library. The final moving phase occurred on November 26 when the fourth and fifth grades and their teachers settled into their new surroundings. This also marked the end of the Memorial School as an educational facility.

In May elementary school staff and the elementary Home and School Association held a very successful Farewell to Memorial School Fair. The children and their families thoroughly enjoyed themselves and all the proceeds have gone to purchase equipment for the new school. In addition, during the final week of school in June there was a banquet with as many former Memorial School employees as could attend, a play and other festivities.

The elementary school continued to be served well by a number of volunteer parents. They taught enrichment courses, worked in the libraries, helped teach computer skills, worked in the cafeteria and acted as room mothers and field trip monitors. Strong parental support has been one of the hallmarks of the elementary schools.

One of the more successful programs is Reading-Is-Fundamental through which each elementary school student received one or two free books during each of the three distributions during the year. As part of each book distribution all adults involved in the program, under the direction of Carol MacDonald, developed a theme and dressed accordingly. Themes included "Old MacDonald's Farm", Halloween, and "The Wizard of OZ."

Students in the Middle School, under the direction of Mrs. Maureen Maguire, have been working in Kindergarten and first grade classrooms learning the stages of childhood development.

We have an active Big Brother/Big Sister program under the direction of Jodie Raider at the High School and Jane Walker at the elementary school.

The students of the elementary school continue to do well in the state mandated Basic Skills and Assessment Tests.

The staff of the elementary school continue to provide learning experiences which stress both skills and creative thinking. They have sought to improve their teaching techniques by attending workshops and visiting other schools to observe exemplary teaching programs.

PUPIL PERSONNEL SERVICES DEPARTMENT

1. The town-wide screening for all 3 and 4 year old children was conducted in February and October, 1990. According to the Massachusetts Special Education Law Chapter 766, each school system is to offer to the parents of all 3 and 4 year old children the opportunity to have their child screened for any potential educational, speech and language, and/or vision and hearing concerns. This screening is in addition to the mandated Kindergarten Screening Program conducted each Spring for children entering Kindergarten the following September.

During the 1989-90 school year, the Mills Schools received an Early Childhood Federal Grant which enabled us to fund 1.5 aides to assist with the mainstreaming of special needs preschool age children into regular kindergarten classes. In January, 1990, a fully integrated Early Childhood/Kindergarten program began which was a great success for the special needs students, as well as the a regular education students. Parent response was extremely positive and supportive.

2. The high school guidance services this year have included a career college search computer program that has enabled high school students to seek out information on not only colleges and training institutions but careers. Students are able to use the program during their study time. It has simplified the process of searching for the right higher education program to meet each student's career goals.

A SAT preparation program was offered to students through a private agency. This program was utilized by several students who found it helpful in their preparation for and performance on the Scholastic Achievement Tests (SATs) required by many higher education institutions.

Updated resource materials were added to the High School Guidance program which have enabled students to research careers, technical schools, as well as college programs. A periodic newsletter is published and sent to all junior and senior year students. This has contained information on colleges, financial aid, applications, procedures, and other resources available to students and their parents.

In January, the high school guidance counselors held a Financial Aid Night for high school students and their parents. Valuable information on sources of financial aid available as well as the application procedures were outlined.

In December, the guidance counselors held a Senior Breakfast to which they invited the previous year's graduates to share their experiences with college, work, armed services, or other post graduate training program with the present year's seniors. This has been a very traditional, successful event and helps the seniors in their career/vocation decision making process.

3. The high school guidance department continued the guidance classes program. For each grade level pertinent topics are presented in lesson or group discussion format. The guidance courses are scheduled as needed by grade level.
4. This year, the Mills Public Schools had 3 special education classroom programs one at each of the levels. Keeping with the intent of the Massachusetts Special Education Law Chapter 766, students returned from out of district placements, and potential out of district placements were avoided by the provision of highly individualized classroom programs which were designed to meet their individual educational as well as social emotional needs. The classes are housed at the Clyde Brown School, the Middle School and the High School. Not only is it a more cost-effective manner in which to provide these students the services they need, it is a very positive and progressive manner in which they are educated as much as possible within the regular mainstream of the school and their community.
5. This year the Mills Schools purchased a handicapped van that provides transportation services to several special needs students in a very cost effective manner.
6. This year the Pupil Personnel Services Department continued several peer support programs.

The High School Peer Leaders Program was continued this year led by Ms. Joanne Raider, a high school guidance counselor. Sophomore and junior students were trained in the Fall. This program taps the leadership skills of many of the high school students. Its purpose is to direct and utilize these students skills in order to develop and find solutions to the many problems facing high school students in Mills, such as use of drugs or alcohol. The costs for this program and the specialized student training were funded through a Federal grant which the Pupil Personnel Services Department attained from the Governor's Alliance Against Drugs.

The Little Brother-Little Sister Program, with the help of the student Peer Leaders, Ms. Joanne Raider, and the elementary staff has been continuing throughout this year. This program links up high school students with elementary students in a very positive and supportive manner. High school students spend time with the elementary students to develop positive relationships through such activities such as sports, hobbies, and school work. It is a positive learning experience for not only the elementary student but

the high school student as well. It provides the younger children with a positive role model.

The Mills Chapter of S.A.D.D. (Students Against Drunk Driving) was continued and formalized as a student activity. Faculty advisor, Ms Barbara Horan, the Middle School Guidance Counselor was designated this year. She assisted students in their desire to promote activities designed to discourage drinking and driving. The students assisted M.A.D.D. (Mothers Against Drink Driving) in their red ribbon campaign this year. They also sponsored several school-wide activities against drunk driving in the spring around the High School prom and the graduation activities. Funds for the faculty advisor were included in the Governor's Alliance Against Drugs Grant written by the Pupil Personnel Services Department.

7. This year, the Pupil Personnel Services Department was awarded the funding for another three year grant from the Governor's Alliance Against Drugs for the development of a comprehensive educational program for substance abuse prevention. The funds are being utilized to purchase educational materials and hire consultants for student, teacher, and parent training programs as well as fund faculty advisors for S.A.D.D. and the Peer Leaders Program.
8. The Health Services Department provides services to the school community in a variety of ways. In addition to providing primary care to sick or injured students and staff, they perform health assessments, develop with physicians, parents, and other school staff medical treatment programs for individual students. They actively participate in the screening of, the evaluation of, and the provision of services to students with special needs. Each staff member serves as a resource for students, teachers, and parents in matters of medical and health concerns.

In compliance with the Massachusetts State Law, the Health Services staff ensures that all students are properly immunized and student health records are current. Annual screening programs for vision, hearing and detection of scoliosis are conducted. Physical examinations required for students in third, seventh, and eleventh grades as well as for participation in interscholastic sports. The staff ensures that they are completed and provides the opportunity for students to be examined by the school physician.

MILLIS PUBLIC SCHOOL CALENDAR 1990- 1991

1990

Registration	August 29 and 30

NO SCHOOL SIGNAL

The fire whistle will be sounded two-two, three times, at 6:45 a.m. and 7:00 a.m., which means NO SCHOOL, ALL SCHOOLS, ALL DAY. The same signal (two-two) at 11:00 a.m. means cancellation of afternoon kindergarten classes. Radio stations WBZ-Boston, WKOX- Framingham, WEEI-Boston, WMJX- Boston and television station Channel 5 - Boston will carry these announcements.

A delayed start of one hour during inclement weather will be announced on the radio and television stations listed above. No whistle will be sounded for this one hour delay.

TRI-COUNTY REGIONAL VOCATIONAL TECHNICAL SCHOOL DISTRICT

ANNUAL REPORT 1990

In July 1990 the School Committee reorganized and elected the following officers: Charles E. Mucciarone (Franklin) Chairman, John Hurley (Medway) Vice-Chairman, Dr. D. E. Leco (North Attleboro) Secretary.

The School Committee conducts its regularly scheduled meetings on the first and third Wednesdays of each month at 8:00 P.M. in the Committee Meeting Room at the school. From the beginning of November until the end of January the Budget Sub-Committee meets on the second and fourth Wednesdays specifically for the purpose of budget development. Other sub-committee meetings are scheduled as needed.

Graduation

On June 3, 1990, 149 students were graduated in an impressive afternoon ceremony. Chairman Charles Mucciarone delivered the Address of Welcome to more than one thousand guests. Music was provided by the Southeastern Massachusetts Community Concert Band.

Mary Fleming, Director of Pupil Personnel Services, presented scholarships and awards totaling more than \$27,000 to deserving senior students. Millis residents who were recipients of awards and scholarships were John Kubacki, John Manning, Victoria Jones and Shane Harrington.

Pupil Personnel Services

In September 1990, Tri-County welcomed approximately 720 students to the new school year, of that number 49 were Millis residents.

The ninth graders embarked on their exploration of eight vocational and technical career areas. This program which truly is the best vocational evaluation known also requires students to explore areas which are non-traditional by gender. It is hoped that more students will select non-traditional areas and that any apprehension which may exist for those who do will be lessened by this experience.

Because we believe that career decision making is a continuous process we administered and evaluated with each Grade 10 and Grade 11 student the results of the Armed Services Aptitude Battery Test. Tri-County administered the PSAT's for the College Board. Results of the test are used for counseling students regarding postgraduate studies and for awarding National Merit Scholarships. Through this program Sean Bray of Seekonk was selected as a National Commended Student. Tri-County counselors, parents and students joined with other area towns for a Higher Education Evening with over 200 college representatives. All Tri-County seniors have available the services of the Co-op/Vocational counselor to work with them on job placement, co-op, and for college counseling.

The Pupil Personnel Department developed evening programs for 1990 centered around the theme of "Developing Self Esteem". The department

continued its programs for parents on Financial Aid, College Selection and Special Needs. Tri-County hosted Open Houses for Grade 8 students and their parents on November 27 and February 5. Hundreds of parents took the opportunity to tour their vocational technical high school.

In November 1990, Tri-County sponsored two Career Days for its member towns. This year Grade 8 students from the sending towns had the opportunity to see and to hear career options centered on eighteen vocational and technical areas and to view the vocational technical component of the Millis School System housed at Tri-County.

Academic Programs

All students at Tri-County follow a core curriculum which requires four years of study in each of the major academic disciplines: English, Math, Science and Social Studies. Students also are required to successfully complete at least two years of physical education, and to take other elective programs such as business, word processing, drafting, etc. to insure that everyone has a full schedule of classes each year. These are not study periods and each student must carry a full schedule.

Until recently all academic courses were taught and structured using an ability grouped approach. Recently there has been movement towards homogeneous grouping of students in some academic courses while maintaining ability grouping when curriculum demands such a structure. For instance those students who take College Algebra I are clearly top level students. On the other hand students who take the ninth grade science course titled "Health Awareness" are heterogeneously scheduled.

Curriculum review and revision continues to be a high priority in all academic courses at Tri-County. In response to changes in admissions requirements at many engineering colleges we will soon be offering a course titled "Introduction to Calculus" as a part of our math offerings.

Our Science Department has continued to offer students some unique opportunities through the Science Club, sending a group of students to Space Camp in Huntsville, AL. The program at this camp encompassed a great deal of Physics, being taught in both a classroom and hands-on approach; this being consistent with Tri-County's philosophy. Students who participated in this year's program were: Alyse McLaughlin, Walpole; Shane Stevens, Medway; Gerard LaFleur, North Attleboro; David Gregory, North Attleboro; Yeasah Pell, Franklin; Frank Suchanek, Franklin; Eric Johnson, Franklin; and Angelo Petrolini, Walpole. It is the intent of the Science Club to run future trips to similar programs which combine student interest and the learning of science and the application of scientific principles. This and other programs are totally funded through student fundraising efforts.

Tri-County's Chapter of the National Honor Society inducted its first members. These students represent the best qualities of character, scholarship, leadership and service. These new members have worked well during the chapter's first year to provide services both within the school and throughout the communities which make up our school district.

Vocational Programs

The vocational shops continue to provide many services to individual members of the Tri-County School District. A great number of services are also provided for most of the town agencies in the member towns that comprise Tri-County. There is continuous effort to update our curriculum and equipment to meet the high standards set in all of the vocational trades.

The Auto Body Shop is pleased with the results of their new downdraft spray booth. Paint jobs are greatly improved since the addition of this new unit. The improvement is the result of technologically improved changes in the art of spray booth painting.

The Auto Repair Shop provides all of the maintenance and repair services for school vehicles. This shop has managed to stay abreast with all of the technological changes in the automobile industry. Curriculum updating and modification have been developed and applied to our learning program.

Machine Shop and Metal Fabrication are well in tune with our modern day industrial standards. Computer numerical control machines are used in our Machine Shop program. The most modern welding and cutting techniques are being presented in our Welding program. Welding certification can be attained by our students in their junior and senior years.

The Plumbing and Electrical Shops continue to present very interesting and meaningful programs. Electrical Code and Plumbing Code are important to these vocational courses. A student's time spent in the electrical or plumbing program can be applied to the requirements needed to receive a state journeyman's license.

The Masonry and Carpentry curricula prepare our students for these building trades. The Carpentry and Masonry students and their teachers are nearly finished with a large storage room addition attached to the rear of the Masonry Shop. When completed the storage area will provide the North Wing shops with a 34' x 24' storage compartment.

The Industrial Technology program continues to educate our students with many important skills needed in today's industrial world. Training in carpentry, electrical, small engine, machine shop and welding are given to our students. The pilot program with Texas Instruments has reached fruition. Students are working with Texas Instruments as Equipment Technicians thanks to this school/industry cooperative program.

Technical Programs

The Child Care Shop provides a creative program that fosters the wholesome development of the pre-schooler in a variety of early childhood settings. High school students work with these youngsters learning first hand the various theories and practices of child development.

The Commercial Art Shop has included Desktop Publishing as part of the 10, 11 and 12th grade curricula. Students learn computer layout, design and graphics.

Cosmetology is a program that provides skill in a variety of beauty services, such as: hair, scalp, skin and nails. The clinic is open to the public during the school year.

The Culinary Arts Shop attracts many local patrons to their student run restaurant (Gerry's Place) and bake shop. The students participate in menu planning, purchasing, preparation and table service. Gerry's Place is open to the public for lunch during the school year.

Electronic Technology is a program that prepares the student for an entry level position in the electronic and computer industry. Shop and classroom experiences include basic AC/DC circuits, Solid State Technology and Digital circuitry. Consumer product services has been added to the curriculum which will provide additional job opportunities in this specialized field for Tri-County graduates.

Graphic Arts has provided its printing services to Town Halls, Police and Fire Departments, as well as many non-profit organizations throughout the Tri-County School District while preparing students for meaningful employment.

Retailing, Banking and Secretarial Skills - Major courses of study for student career development have been expanded and enhanced through the "tracking" curriculum.

Students majoring within the Marketing & Financial Management curriculum will receive education through the following topic areas: Marketing & Management; Banking Procedures, Finance & Credit; Computerized Accounting; and Lotus 1-2-3. The Electronic Secretarial Career Development curriculum will educate students within the following topic areas: Word Processing, Speedwriting & Transcription, and Electronic Legal & Medical Simulation Study. Students will receive this realistic career training through the "gift" center, Dean Cooperative Branch Bank, and the D.E. Computer Laboratory. On March 5, 1990, the Dean Cooperative Bank Branch location at Tri-County celebrated its 5th Anniversary. The Bank and Gift Shop are open to the public daily during the school year.

Evening School

The Evening School program has enrolled approximately 650 students for the 1990 school year. The programs offered include Carpentry, Cosmetology, Desktop Publishing, Electrical Code, Esthetics, HVAC&R, Introduction to CAD, Introduction to Word Processing, Machine Shop, Manicuring, Plumbing Code, Welding and Woodworking. The Mandatory Code Review Course for Licensed Electricians will be held in 1990-91 for those electricians required to update their skills.

Athletics

Tri-County offers students the opportunity to participate in ten interscholastic sports programs as well as intramurals and cheerleading. In the Fall season, soccer and cross country are open to both boys and girls. Volleyball is available to girls and football to the boys. During the Winter season, boys' and girls' basketball is offered along with wrestling. Intramural weightlifting is available to all students, while cheerleading

continues with their second season. During the Spring season, boys' baseball, girls' softball and co-ed track and field are in full swing.

Great strides were made in the Tri-County sports programs this year. The boy's baseball team made their first trip to a state tournament. The cross country team finished their finest season in eight years with an 11 and 2 record, all done with one senior. Sophomore Tom Green set many school and league cross country records. The football team had an outstanding season. The team was well deserving of its first championship football banner. The wrestling team continued to show great strides with a 7 and 4 record. Both the boys' and girls' basketball programs are optimistic about an exciting 1990-91 season.

Student participation is continuing to rise with the highest percentage in many years. The football team was able to play several freshman games along with a 10-game junior and varsity schedules. The boys' basketball team has been able to establish a full freshman schedule along with a junior varsity and varsity program. A full-time certified EMT trainer has been added to the athletic staff to help the students stay healthy and rehabilitate any injured athlete.

The parents' Blue Jacket Club continues to see an increase in membership. The group has been responsible for operating the concession stand at home football games, working Thursday night bingo, and helping with additional fundraising activities to promote sports at Tri-County. Two new committees have been established. The first to investigate the feasibility of lighting our athletic fields, the second a Hall of Fame committee to induct former Tri-County athletes.

The Athletic Department's goal will be to continue to provide sports participation and teach the positive effects sports have on a student that can last a lifetime.

Student Activities

Of great success and note this year was the Summer 1990 trip by Tri-County students to the Soviet Union to participate in a cultural and technical exchange program with Soviet technical students from Moscow Technical School No. 186. Tri-County students spent ten days in the Soviet Union speaking with Soviet students and visiting various cities within the Soviet Union to learn more of the culture of that nation. This trip represented the first in what will be a series of trips and exchanges by Soviet and American students.

Representatives from Moscow Technical School No. 186 visited Tri-County Regional in October 1990 in the second phase of a joint U.S./U.S.S.R technical sister school project. The Soviet students spent fifteen days attending vocational/technical classes at Tri-County and visiting various cultural attractions within the greater Boston area. Tri-County was the first vocational school in the nation to undertake such an exchange program and will continue to expand sister school programs with technical schools in various other countries for the 1991-92 school year.

Summary

As we move into 1991 and continue to provide for the educational needs of our students, we wish to thank the District residents for their support and cooperation.

We intend to maintain in the future the high educational standards that have earned Tri-County that support in the past.

Charles E. Mucciarone, Chairman, Franklin

William A. Vellante, Millis

REPORT OF THE TAX COLLECTOR

As 1990 progressed, the tax office was faced with two new procedures - excise tax computerization and possible quarterly billing on real estate taxes. The excise tax program will be on computer with a service representative for 1991 and the Registry of Motor Vehicles will be alerted promptly as to any delinquent excise taxes.

After many meetings and discussions with the Board of Assessors and Board of Selectmen, it was decided not to implement quarterly billing for Fiscal 1991. This program would necessitate additional clerical help and other expenses and I do not feel at this time the Town should be burdened with this procedure.

In view of the economic situation everywhere, the tax office had some difficult decisions to make.

The support of voters at the 1990 Annual Town Meeting to retain the election process for the tax collector was greatly appreciated.

The following is the report of your Tax Collector for fiscal year ending June 30, 1990:

Taxes Collected:

Current Year:

Real Estate	\$5,650,826.53
Personal Property	69,277.20

Prior Years:

Real Estate	158,783.93
Personal Property	<u>4,228.15</u>

\$5,883,115.81

Special Assessments:

Motor Vehicle Excise:

Current Year	289,045.08
Prior Years	<u>156,781.30</u>

445,826.38

\$6,328,942.19

Interest Payments on deferred taxes	\$ 40,805.88
Scholarship donations	\$ 117.00
Municipal Liens	\$ 6,143.00
Fee for Returned Checks	\$ 75.00

Tax Balances Outstanding July 1, 1990:

Accounts Receivable:

Real Estate Taxes:

1988 and prior	\$ 49,159.54
1989	39,894.33
1990	<u>209,113.83</u>

\$298,167.70

Personal Property Taxes:

1988 and prior	14,100.50	
1989	1,155.84	
1990	<u>2,658.50</u>	
		17,914.84

Motor Vehicle Excise Taxes:

1888 and Prior	63,141.92	
1989	17,309.86	
1990	<u>42,233.65</u>	
		<u>122,685.43</u>
		\$438,767.97

Again, I wish to thank the residents of Millis for their continued support and express appreciation to the Assessors' office for their cooperation.

Respectfully submitted,
Rose S. Robinson
Tax Collector

REPORT OF THE TREASURER

The following is the Treasurer's Report for the year ending December 31, 1990:

Balance of Library Trust Funds		\$40,393.30
Richard A. Housley Fund	\$ 4,419.18	
Dr. & Mrs. Charles Wesley Emerson Fund	1,305.39	
George W. Woolvett Fund	11,175.29	
Sibbel Purdy Memorial Fund	1,249.12	
Rosallee Thrasher Griswold Fund	13,247.07	
Ida & Joseph Warsofsky Fund	3,985.08	
Jack Warsof	5,012.17	
Balance of 100 Anniversary Fund		20,808.10
Balance of Conservation Commission Fund		6,757.51
Balance of Tricentennial Fund		206.18
Balance of Pension Fund		270,034.16
Balance of Stabilization Fund		490,385.17
Balance of Cemetery Fund		45,491.59

(All Deposited in Interest Bearing Accounts)

I would like to express my appreciation to all Town Boards and Employees who have assisted me during the year.

Respectfully submitted,
Richard H. Aulenback
Treasurer

REPORT OF THE DEPARTMENT OF VETERANS' SERVICES
